What do people have for breakfast?

Let's ask the people in Woodland Road ...

This is Matt. He's ten. He lives at 3 Woodland Road. He has breakfast at half past seven. He always has cereal, milk and orange juice for breakfast. He sometimes has a banana but he never has eggs. He doesn't like eggs!

This is Mrs Williams. She lives next door to Matt at 5 Woodland Road. She has breakfast at eight o'clock. She always has yoghurt, toast, and tea for breakfast. She sometimes has cereal but she never has coffee.

This is John. He lives at 11 Woodland Road. He has breakfast at half past eight and he's always in a hurry! He always has coffee for breakfast. He sometimes has an apple. He never has cereal or an egg.

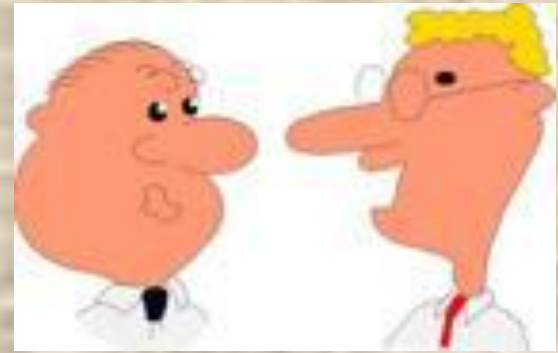

This is Laura. She lives with her mum and dad at 8 Woodland Road. Laura has breakfast at seven o'clock. She always has an egg, toast and milk. She sometimes has cereal and she sometimes has yoghurt. She never has tea or coffee.
