Located on the island city-state of Singapore - one of the most colorful and interesting places of Asia. Mixed different cultures, surprisingly harmoniously ultra-modern skyscrapers and colonial buildings, stunning landscapes, gorgeous parks, an abundance of historical and cultural attractions attract a huge number of tourists. Singapore is also a major global trading center and one of the main ports of Asia

Security

The general order in the streets, even in the most remoted areas of the city is very high and supported by law enforcement agencies.
