# Pollution Problems In Our Country

# Environmental problems

## Виростеш ти сину ...

#### WE LOVE YOU DEEPLY, DEAR LAND!

We love green fields full of wheat And forests, gardens... Your hills and rivers, sand on strand Your songs and verses, lakes and seas Your beasts and fish, birds in the trees Your sunrise in a splendid sight!

#### **Ecological Problems Humanity**

 Today our planet is in danger and it is our challenge, young people, to restore an ecological balance on our planet and to leave it clean and healthy for future generations.

## **Greenpeace protest**

#### Енергетика основа розвитку

Структурне енергозбереження

- Технологічне енергозбереження
- Споживання первинних енергоресурсів

120,3

#### Міністр енергетики

But little by little we are getting more energy from the wind.

Energy Minister of Great Britain
