Silent night

Silent night, holy night!
All is calm, all is bright.
Round you Virgin, Mother and child,
Holy Infant so tender and mild,
Sleep in heavenly peace.

Silent night, holy night!
Shepherds quake at the sight.
Glory streams from Heaven afar.
Heavenly hosts sing Alleluia
Christ the Saviour is born,
Christ the Saviour is born.

Silent night, holy night!
Son of God, Love's pure light.
Radiant beams from Thy holy face,
With the dawn of redeeming grace,
Jesus, Lord, at Thy birth,
Jesus, Lord, at Thy birth.

Colours of Christmas

The colours most closely associated with the Christmas season are:
red, **white** and **green**.

Some say that this is because of the red and green plants of wintertime contrasting with the white snow.

Red

means **love** and reflects our warmth and love for each other. It is also the colour that is considered the greatest excitement. As a religious symbol it stands for **fire**, **blood**, and **charity**.

Green

means hope and the eternal longing for spring and all the promises of the future.

Green is the symbol of nature, youth, and the hope of eternal life.

White

means purity and is represented by the crystalline form of water and the snowflake.

White is the religious symbol which stands for light, purity, joy and glory.
