San Francisco

- ✓ the only consolidated city-county in California
- ✓ area is about 46.9 square miles (121 km²)
- ✓ population: 8.4 million
- ✓ was founded on June 29, 1776.
- ✓ The California Gold Rush of 1849 brought rapid growth, making it the largest city on the West Coast at the time. Due to the growth of its population, San Francisco became a consolidated city-county in 1856. After three-quarters of the city was destroyed by the 1906 earthquake and fire, San Francisco was quickly rebuilt, hosting the Panama-Pacific International Exposition nine years later.
