Writing a letter

January, 25th 2018

Dear Friend,

I'd like to be your pen friend. I live in London. I go to school here. I have been to Moscow this month. I have visited a lot of interesting places and took a lot of pictures. I liked Red Square and the Kremlin very much! It took me the whole day to look at the paintings of the Tretyakov Gallery. Moscow is wonderful!

By the way, what city do you live? Where is it? What is it like? What places of interest are there in your city?

That's all for now. Write me back.

Best wishes,

Polly
