

LET'S SAVE OUR FRAGILE PLANET

# Why

## OUR PLANET IS IN DANGER

?

The background of the slide is a solid blue color. In the lower right quadrant, there are several faint, concentric white circles that resemble ripples on water, creating a subtle decorative pattern.

# HUMAN BEINGS ARE KILLING OUR PLANET

- WATER POLLUTION
  - AIR POLLUTION
  - DESTRUCTION OF WILDLIFE AND COUNTRYSIDE BEAUTY
  - NOISE AND POLLUTION FROM TRANSPORT
  - SHORTAGE OF FOREST
  - DISAPPEARING OF ANIMALS
- 

# ANIMALS AND BIRDS UNDER THREAT

- Panda
- Koala
- Indian tigers
- African and Asiatic elephant
- Orangutan
- American Alligator
- Pygmy Hippopotamus
- Black Rhinoceros

People don't just pollute the  
environment.

They pollute themselves with junk  
food, alcohol, drugs and  
cigarettes.

What can

you

do?

A scenic view of a park with a lake, trees, and a large building in the background under a cloudy sky. The foreground shows a calm body of water reflecting the sky and surrounding greenery. The middle ground is filled with lush green trees, including several weeping willows on the left. In the background, a large, ornate building with multiple spires and domes is visible, likely a cathedral or a grand historical structure. The sky is bright blue with scattered white and grey clouds.

WE LIVE IN A WONDERFUL  
PLANET

If you want to save our planet-  
hurry up!
