Потапова Т.В.*

Months of the year

A winter scene with snow-covered trees and a frozen body of water. The trees are heavily laden with snow, and the water is a mix of white and blue. The sky is a pale blue.

Poems about Winter

January brings the snow,
Makes our feet and fingers
glow

February snows again
And sometimes it brings us
again.

Cold December brings us skating,
For the New Year we're waiting.

Poems about Spring

March brings sunny days and
winds,

So we know that spring begins

April brings the primrose
sweet,

We see daisies at our feet.

May brings flowers, joy
and grass,

And the holidays for us.

Poems about Summer

June brings tulips, lilies, roses
Fills the children's hands with
posies.

Hot July brings apples and
cherries,
And a lot of other berries.

August brings us golden corn,
Then the harvest home is
borne

Poems about Autumn

Warm September brings us school,
Days are shorter, nights are cool.

Fresh October brings much fruit,
Then to gather them is good.

Red November brings us joy,
Fun for every girl and boy.

Can you find the correct month?

For example:

1.**July**.....takes its name from Julius Caesar.
2. ...**February**....has the fewest days.
3. ..**September**...is the longest (numbers of letters).
4. ..**December**.. has Christmas on the twenty-fifth..
5.**November**...has thirty days and eight letters.
6. ..**October**.... starts with the letter O.

- 
7.April..... has the letter l at the end.
 8.August..... is a holiday for students in Britain.
 9.January..... is the first month.
 10.May..... is the shortest (number of letters).
 11.March..... is also a verb (soldiers).
 12.June..... is also a girl's name.
