SPRING

A vibrant spring scene featuring the word "SPRING" in large, light green, 3D block letters. The letters are set against a backdrop of a bright blue sky with soft, white clouds. In the foreground, there is a lush green field of grass interspersed with numerous white daisies with yellow centers. Three monarch-like butterflies with orange and black wings are perched on the letters and flowers, adding a sense of life and movement to the composition.

- About the spring often say : Spring red . "Red" - not because there are red flowers . All the same, the main color of spring - green. And because - beautiful . It's really very beautiful time of the year .
