

# Shopping for Food

# Let's Play a Shopping Game

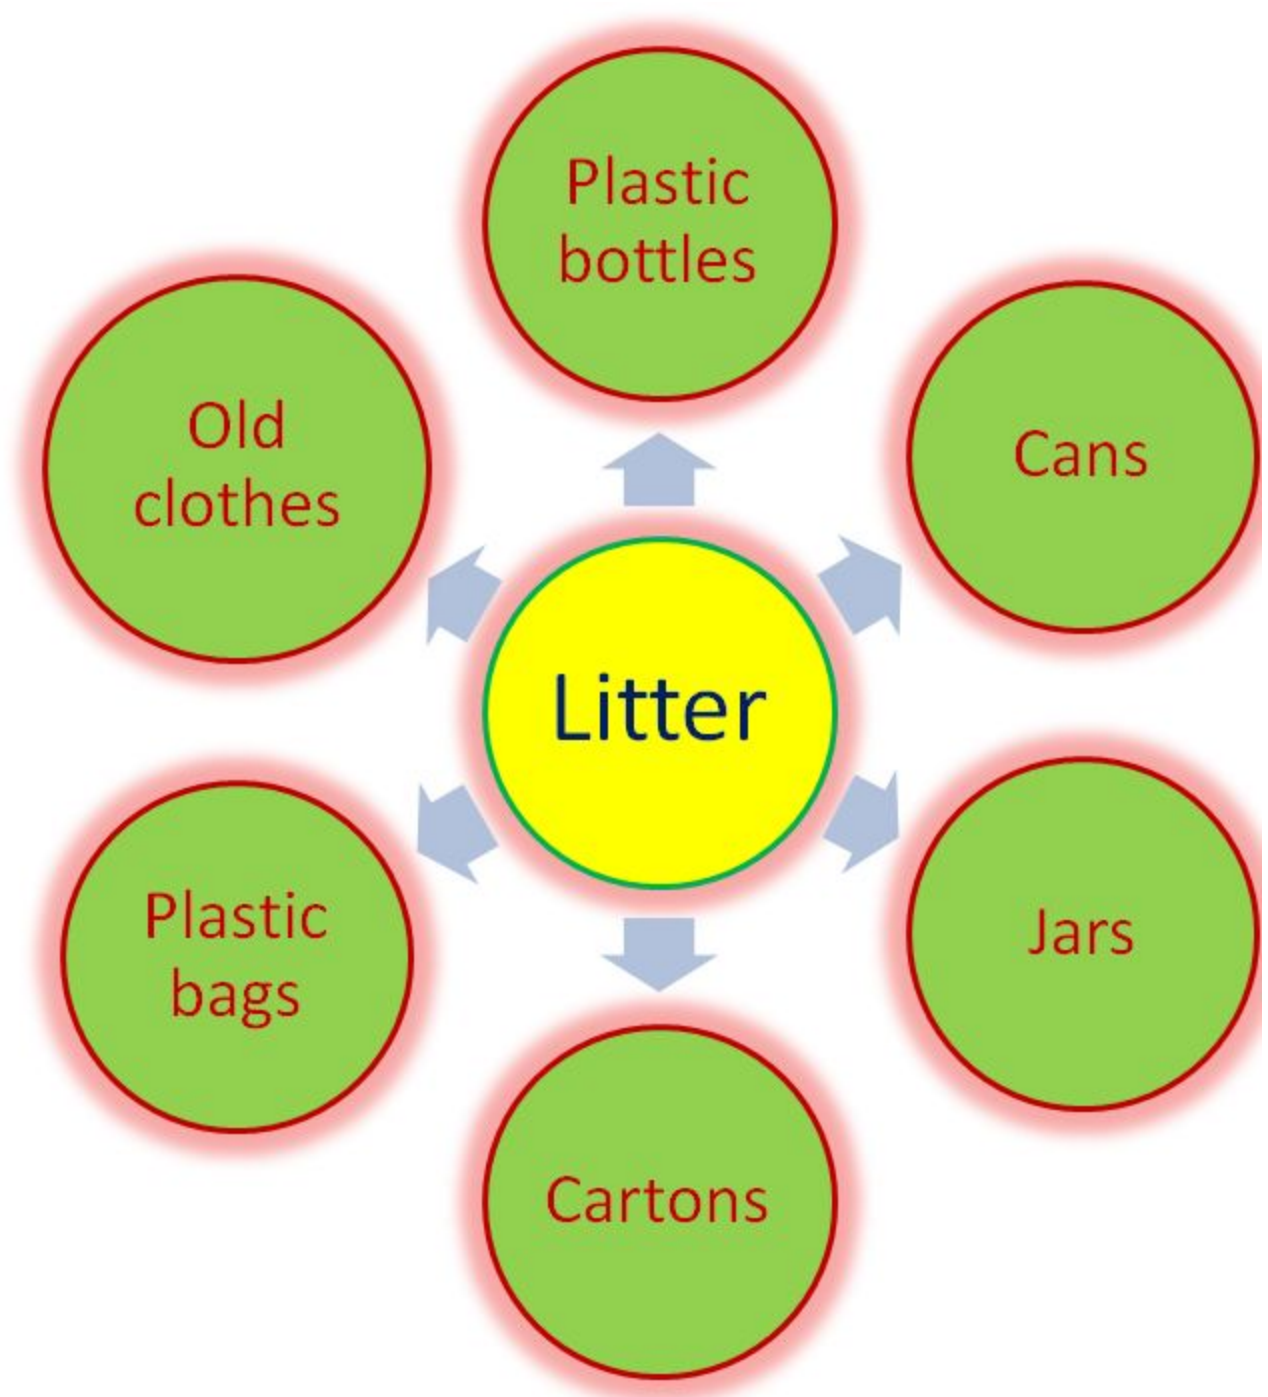

# Make up a dialogue using the cues

**We buy food  
in packages.  
After we use  
the food  
packages  
turn into  
litter.**

**Can you sometimes see this  
picture near your house?**

# What do you think about litter in the wood?

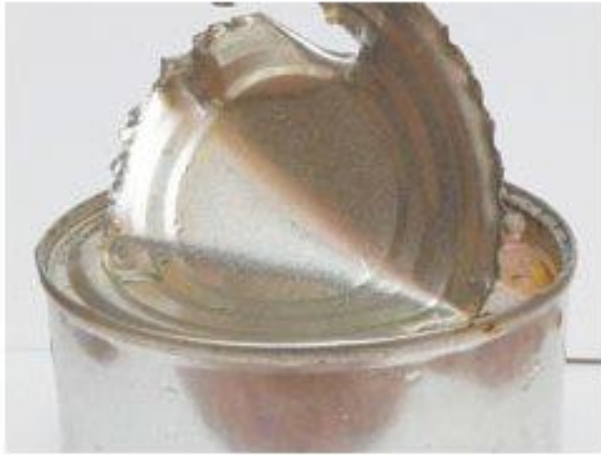

# How long can litter stay in the ground?

A carton can stay in the ground for

**10 years**

# How long can litter stay in the ground?

Cans can stay in the ground for

**200 years**

# How long can litter stay in the ground?

□ A plastic bottle can stay in the ground for

**400 years**

□ A jar - ....?

# These are litter bins

We must put cartons,  
cans, jars, plastic bottles  
and bags into **litter bins.**

# Recycle [ri`saɪkl] – перерабатывать

They want Ukraine  
to be clean

**We must not leave  
cartons, cans, jars,  
plastic bottles and  
bags in the wood  
after a picnic!!!**
