It's a marvellous
sight!

Belgorod literature museum

The Belgorod literature museum is the oldest building in our city. It was the House of Selivanov. It was built in the 18th century. More than 1000 works are presented in the museum. There are works of popular writers in the Museum, for example Pushkin, Chekhov, we can see ancient books and old furniture. Nothing can beat it!

Nothing can beat it!

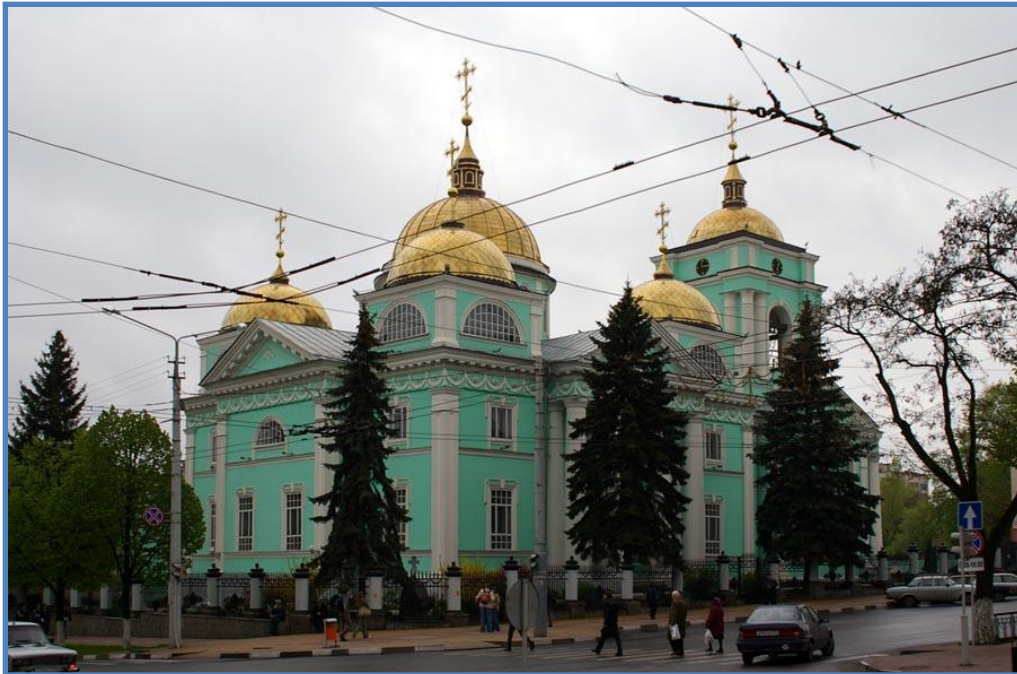

Monument to Shuttles

A monument is set in the center of Belgorod. It was opened in November, 2007. Composition is made from bronze. Its three meters height .It's one of a kind!

It's one of a kind!

Preobrazhenskiy cathedral

Preobrazhenskiy cathedral is an orthodox cathedral in Belgorod, is built in 1813. A stone cathedral was built in honour of the Russian troops' victory over Napoleon. There are two main sacred objects in the Preobrazhenskiy cathedral: imperishable earthly remains of Svyatitelya Ioasafa and a miraculous icon of Nickolay Ratnogo, which is more than 500 years old.

Smolenskiy cathedral

Smolenskiy cathedral - one of the eldest temples, saved to our days. It was built in place of the phenomenon of miraculous icon Smolensk God's Mother, which happened in 1703 on the wall of south city gate. In 1705 a wooden church was burned down and in 1727 was rebuilt in stone.

Sun-clock

Sun-clock is placed in the centre of our town. The construction is made from a granite and bronze with the clock-face of 11-meter diameter. Sun-clock in the day-time shows time, and at night are the most bright constellations which are visible in the north hemisphere of Earth. It's one of a kind!
