# Epigraph

Sir Winston Leonard Spencer Churchill stands in the first line of remarkable Englishmen. Churchill had been formed a state life of United Kingdom for a half of a century. He has become one of the most important figures of The Worlds History, who influenced the fortune of the 20-th century.

# The beginning of career. Churchill's four wars

After the receiving of the rank Churchill was enrolled in the Fourth Hussar regiment of Her Majesty. In 1895 Churchill was directed on Cuba. Here he wrote the articles for Daily Graphic. On the way back to England Churchill has visited USA.

# The beginning of career. Churchill's four wars

In autumn 1897 he joined the army to suppress the pushtunski rebel. In 1899 he resigned. Churchill's fourth war became the World War I, when Churchill was a politician. After a line of mistakes he resigned from the post of a naval minister and became a major.

# The political career

World War II was the hardest period for Great Britain. Churchill united the nation under the fighting against fascism. With Stalin and Roosevelt he solved the fortunes of peoples and states. At the end of political career Churchill was the theoretic of “Cold war”.

# The political career

- 1917-1921 – military minister and minister of aircraft
- 1921-1922 – minister of colonies affairs
- 1924-1929 – minister of finance
- 1939-1940 – a naval minister
- 1940-1945, 1951-1955 – Prime minister of Great Britain

# Death

Three years before death Churchill said: "I want you to bury me as a simple soldier"

Churchill's wish was executed, but with royal honors. Even the Soviet television showed the mourning reporting.

# Aphorisms

- Bolsheviks create difficulties, which they successfully overcome.
- Time is a bad ally.
- Any medal not only shines, but throws a shadow.
- I like pigs. Dogs look at us from below, cats – from upwards. Pigs look at us as on equal.
- I can't forecast Russia's actions. It's a puzzle, wrapped in a secret, wrapped in a mystery.
- I never criticize the government of my country abroad. I compensate it by homecoming.
- School teachers have such a big power, about which prime ministers can only dream.
- I thought that I will die from old age. But when Russia, that fed all Europe with bread began to buy grain, I understood that I would die from laughter.
- Only Lenin would be able to bring from Russians from the swamp, where he led them.
- Everybody has always been underestimating Russians, by the way they can keep secrets not only from enemies, but from friends.

# Questions

- 1) What countries did Churchill visited?
- 2) What posts did Churchill take during his life?
- 3) What was the last post that Churchill take?
- 4) How does one of Churchill's aphorisms sounds?
- 5) What jobs did Churchill have except a politician?

The background of the slide is a deep space image showing the cosmic web. It features a complex network of dark, filamentary structures (galaxy filaments) that stretch across the frame. These filaments are punctuated by numerous bright, star-like points of light, which are likely galaxies or clusters of galaxies. The colors are predominantly dark blue and purple, with some greenish-yellow highlights, giving it a mysterious and ethereal appearance.
