

The image shows the grand, ornate interior of a department store. The architecture is highly detailed, featuring multiple levels of grand, curved staircases with dark wood balustrades and decorative stone balusters. The walls are covered in intricate carvings and classical motifs. In the center, a large revolving glass door is set within an arched opening. Above the door is a decorative sign with Cyrillic text. A person is seen walking through the revolving door. The lighting is warm and golden, highlighting the architectural details. A purple banner with white text is overlaid in the upper center of the image.
