- Do you think violence on TV should be forbidden?**
- Who should be responsible for that?**

FOR

AGAINST

TV is the best way to get and spread information.

TV shows cruelty and violence.

TV educates people.

TV teaches us to be immoral.

TV helps us to learn more about the world and to know and see many new things.

TV takes up too much time.

TV entertains us. It is an enjoyable way to relax.

TV shows a lot of advertisement.

TV has made us aware of our global responsibilities.

TV is terribly bad for people's eyes and children don't get enough fresh air.

CONCLUSION

Many people, many minds!

Everybody must choose himself
what to watch.

But remember the saying:

“He who owns the information
he owns the world”.
