

**Маленькая
Мышка, которая
живет в
маленьком лесу.**

**The little mouse that
I found in our house
was running in the
living room.**

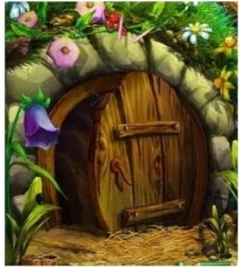

Nice
Bright
Buautiful
Big
Happy
Good

- In one **little** forest, in one **little** hole one **Little** Mouse lives. **Little** Mouse has got a nice **little** garden where she grows **beautiful** flowers: yellow, red, pink, white. **Little** Mouse is proud of them. She can spend the whole days in her garden. **Little** Mouse likes to say : “My home is **the best**. My garden is **the best**. I am **happy**”. Once day she decides to leave her hole to see world. She sees another world. This world is **bigger** than her forest, houses are **nicer** than her hole and gardens are **more beautiful** than her garden and flowers are **brighter** than hers. **Little** Mouse is **sad**. But she **little** thinks and says: “The world is so **big**, my home is so **little**, but it is my own **little** world and I love it very much”. Now she is **the happiest** mouse in all the world.
