

# TEACHER'S DAY

We celebrate  
Teacher's  
Day in  
autumn, on  
the fifth of  
October.

# TEACHER'S DAY

Pupils congratulate their teachers on this holiday and teachers thank their pupils for the warm congratulations and become very glad.

# TEACHERS

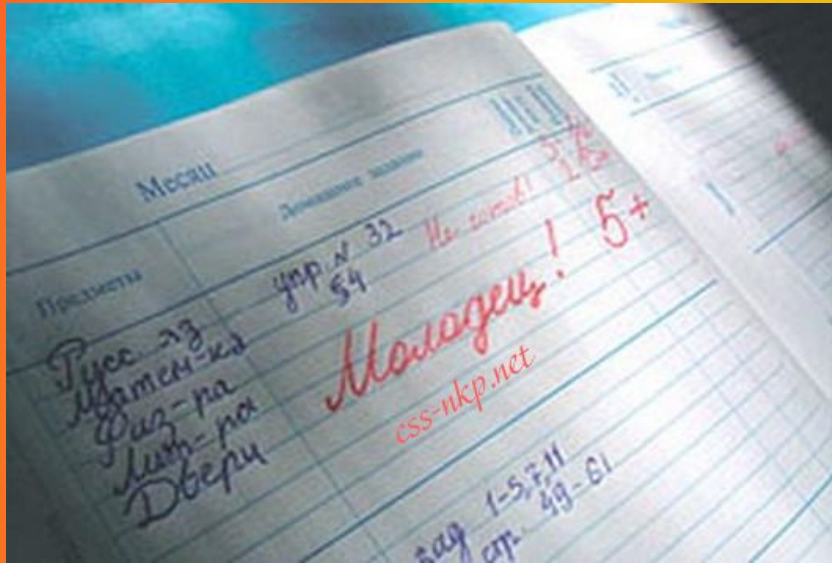

Teachers are very different. They may be kind and strict, young and not young. But all of them want to be happy on this day.

# TEACHER'S DAY

- Pupils are kind, polite and active at the lessons.
- They even become teachers themselves and give the lessons in other forms.

# TEACHER'S DAY

- Teachers give good marks and don't give a lot of homework on this day.
- And the lessons are usually shorter.

# A QUIZ

- |                             |        |

# IS IT EASY TO BE A TEACHER?

A teacher is ...

- a person who helps pupils to study: he\she explains the material, gives and checks up exercises and tests, organizes competitions and so on;
- a person who teaches pupils to communicate.

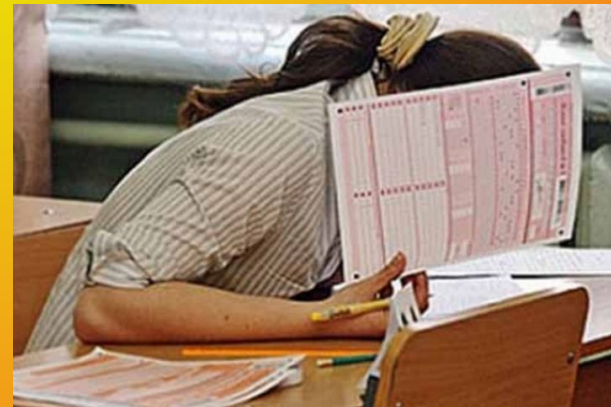

# A TEACHER...

- Makes up lessons planning for a year.
- Gets ready for every lesson.
- Explains the material, choose necessary tasks and the ways to do them.

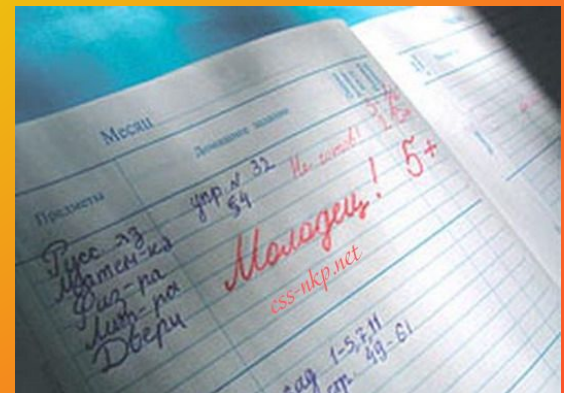

# A TEACHER..

- Checks up pupils' works and points or corrects their mistakes.
- Keeps class registers.
- Gets pupils ready for passing school exams.

# A FORM TEACHER...

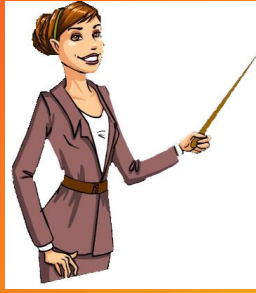

- Controls pupils' attendance and school results.
- Checks up pupils' daybooks and write out their marks from the class register.
- Maintains close contact with pupils' parents.
- Organizes parents' meetings and consultations.
- Helps pupils to solve different problems in their class.
- Takes part in class activities.

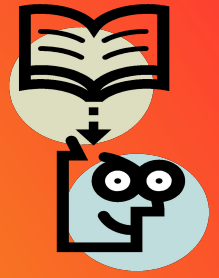

# CAN YOU BE A TEACHER?

1. Can you make up plans well?
2. Can you analyze your actions?
3. Can you communicate with children?
4. Can you find and explain information well?
5. Can you ask and answer different questions?
6. Can you learn all your life?
7. Are you ready to pass exams every 5 years?
