

Teens' Problems and Moral Values

psycho-physiological problems

It is very difficult to overcome them for some of teens.

The only way to do it is to follow the doctors' advice and wait and wait and wait...

Social Problems

Family problems -
the eternal problem of
fathers and children's
misunderstanding.

**Such informal groups as
Hippies, Rockers, Bikers,
Skinheads, Punks, Goths and
some others appeared as a
form of protest against the
values and lifestyle of the
adults.**

Social Problems

Personal problems

are the ones that
also connected with
***friendship and
love***

Social Problems

Problems at school

These kinds of problems could be easily bridged if teens always clearly understood that their education determines their further life.

Unfortunately, some of us understand it too late.

Social Problems

● SUCH PROBLEMS AS VIOLENCE, AGGRESSIVENESS, DRUGS, DRINKING, POVERTY, DISCRIMINATION AND SOME OTHERS ARE CONSIDERED TO BE GLOBAL NOWADAYS.

TEENS' PROBLEMS AND MORAL VALUES.

The basic moral values are similar in different societies and the teens of different nationality understand them in the same way.

We are against moral crisis in the globalized world!
