The regular past: pronunciation

- Add -ed to the Infinitive
- Read it /d/ after a voiced consonant
 - rubbed, filled, opened, listened
- Read it /t/ after an unvoiced consonant
 - worked, passed, watched

Note: verbs which end in the sounds /t/ /d/ have their past endings pronounced /id/

posted, added

and spelling

- Most verbs add -ed
 - work/worked; wait/waited
- Verbs add -d when they end in -e
 - arrive/arrived; phone/phoned
- A single vowel followed by a single consonant doubles
 - Beg/begged; rub/rubbed
- The same is in two-syllable words, when the second one is stressed
 - Prefer/preferred; refer/referred
- When there is a consonant before -y change to -ied
 - cry/cried; deny/denied
 - BUT COMPARE delay/delayed

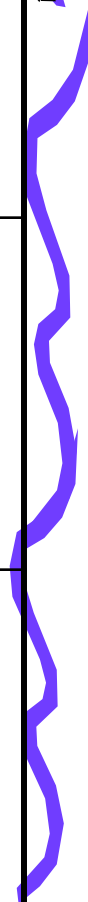

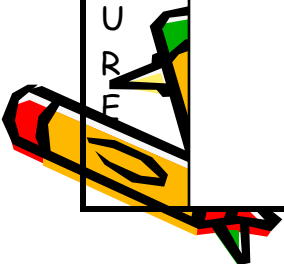

Uses of the Tense

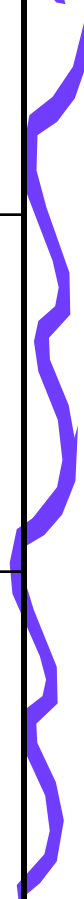

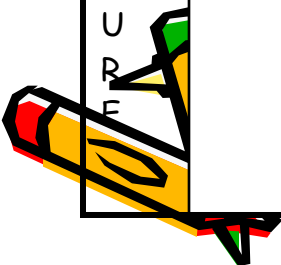

- Completed action - Sam phoned a moment ago
- Past habit - Last year I went to the swimming pool twice a week.
- The immediate past - Did the telephone ring? (No past reference)

Negative And Interrogative sentences

- Auxiliary verb is always **did**
- They met at the station yesterday

They didn't **meet** at the station yesterday.

Did they **meet** at the station yesterday?

!!!

When we use the past simple we are usually concerned with an action occurred , not with its duration (

WHEN

HOW
LONG

it lasted)
