# **Streets of New-York**

A vibrant blue sky filled with wispy white clouds. The clouds are scattered across the sky, with some appearing as thin, streaky lines and others as more dense, fluffy patches. The bottom of the image shows a faint horizon line with a hint of greenery and a small structure, suggesting a landscape view. The overall scene is bright and clear.

**Wall Street**

## Wall Street

the name of the street derives from the fact during the 17<sup>th</sup> century, Wall street formed the northern boundary of the New Amsterdam settlement.

A vibrant blue sky filled with wispy white clouds. The clouds are scattered across the sky, with some appearing as thin, streaky lines and others as more dense, fluffy patches. The bottom of the image shows a faint horizon line with a hint of greenery and a small structure, suggesting a landscape view. The overall scene is bright and clear.

# 5<sup>th</sup> Avenue

**Fifth Avenue is a major thoroughfare in the center of the borough of Manhattan in New York City, USA.**

A vibrant blue sky filled with wispy white clouds. The clouds are scattered across the sky, with some appearing as thin, streaky lines and others as more dense, fluffy patches. The sky transitions from a deep blue at the top to a lighter blue near the horizon. At the bottom of the image, a thin line of green hills or a horizon is visible. The word "Broadway" is centered in the middle of the image in a large, bold, black font.

**Broadway**

**Broadway,  
as the name implies, is a wide  
avenue  
in New York City.**
