**The English fleet under the Duke of York entered the harbour, captured the city without firing a shot and renamed it New York.**

# **Streets of New-York**

A vibrant blue sky filled with wispy white clouds. The clouds are scattered across the sky, with some appearing as thin, streaky lines and others as more dense, fluffy patches. The bottom of the image shows a faint horizon line with a hint of greenery and a small structure, suggesting a landscape view. The overall scene is bright and clear.

**Wall Street**

## Wall Street

the name of the street derives from the fact during the 17<sup>th</sup> century, Wall street formed the northern boundary of the New Amsterdam settlement.
