

THE HOUSE OF MY DREAMS

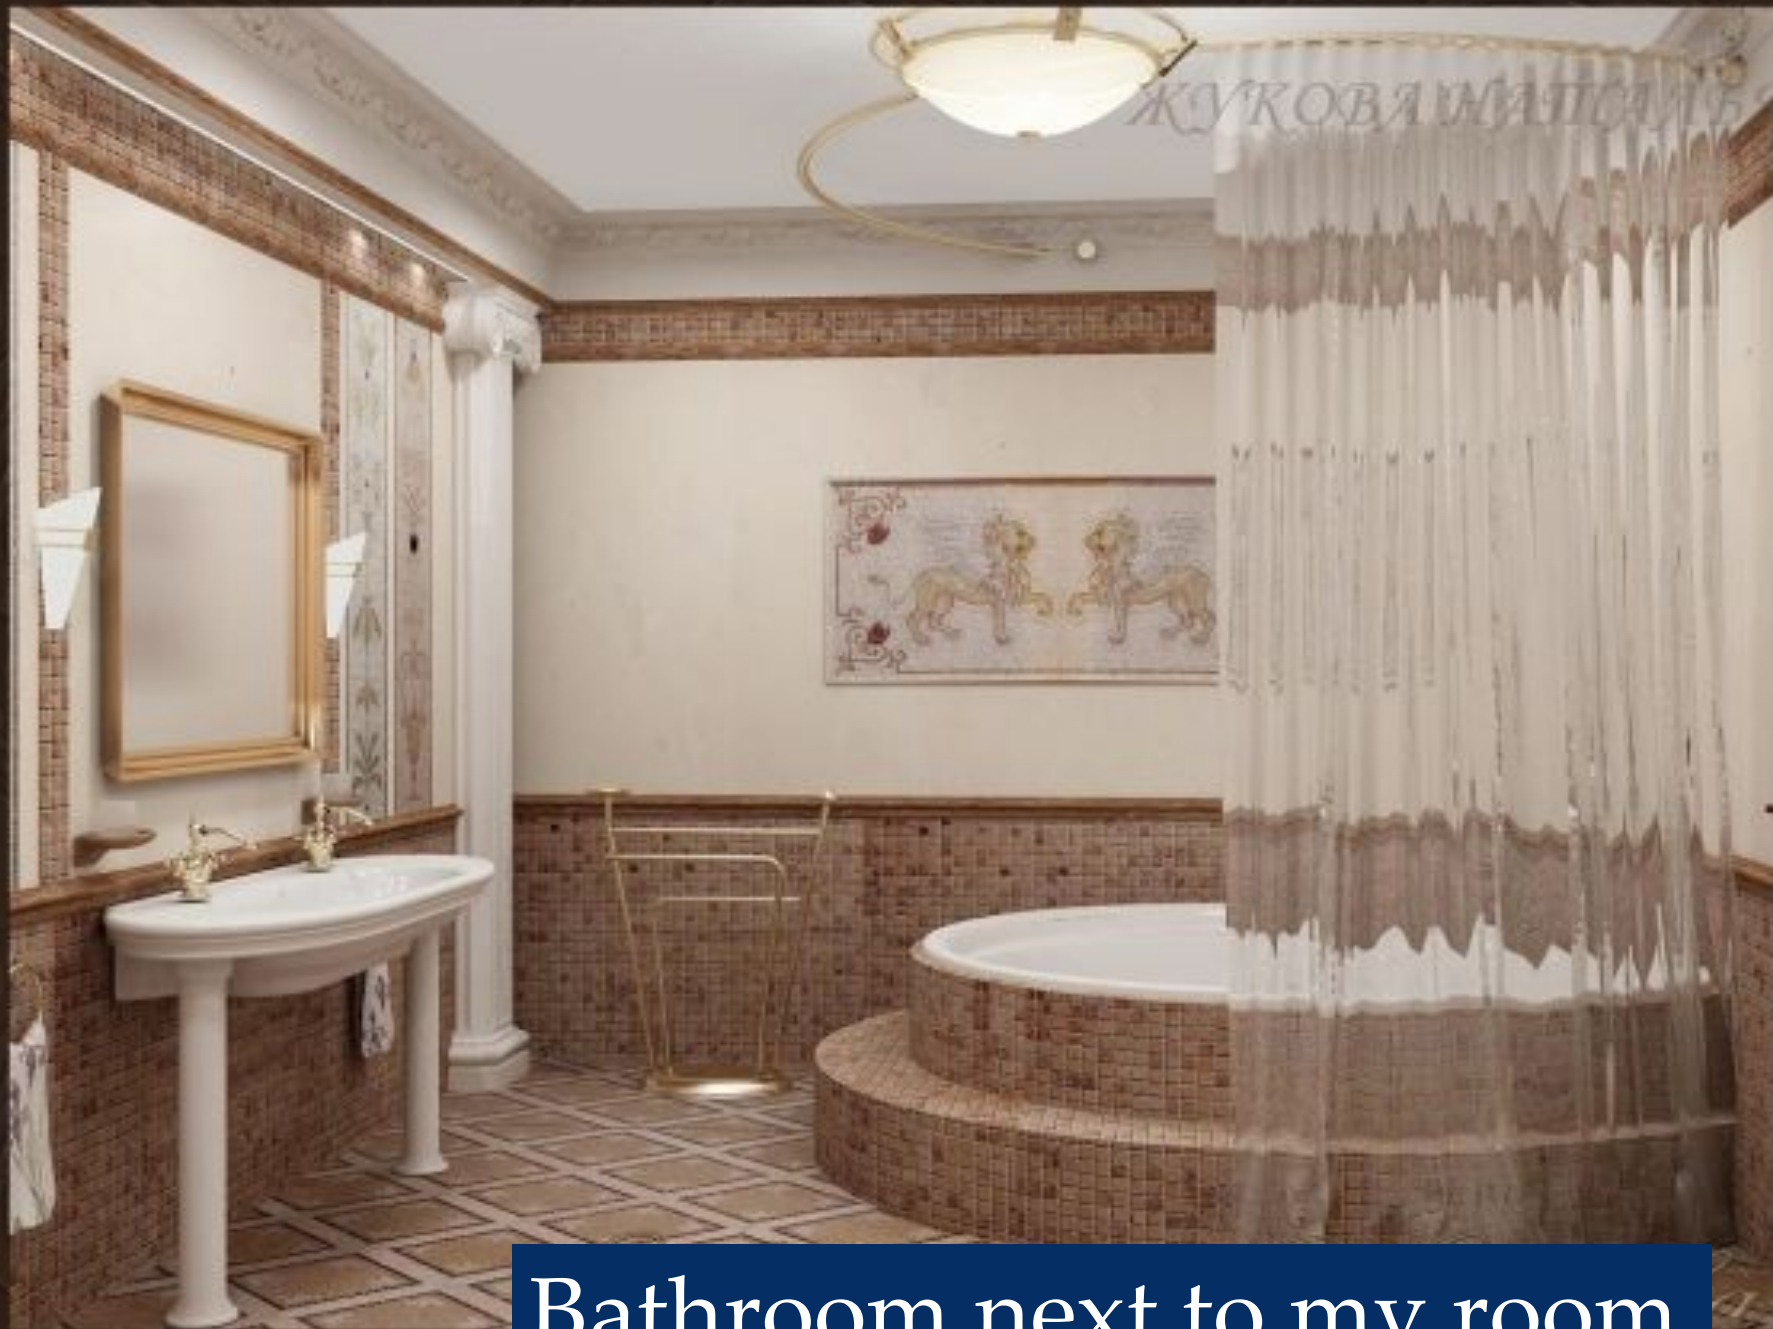

My dream house should be comfortable well-planned two-storey cottage. Of course, I wouldn't want a big house. I want a large, comfortable house. It should be located in a quiet and ecologically clean place . In front of the house I want to have a green lawn and flowers

My bedroom is on the first floor

My hall, in the style of Neoclassicism

*In the hall
there is a
sofa,
armchair,
TV, fireplace,
candles, table*

*Nursery for girls, located on the
second floor*

Nursery for a boy

Cabinet. office located on the second floor

A modern guest room featuring two beds with white linens and black geometric patterns. The room has a white ceiling with recessed lighting and a central chandelier with black shades. The walls are covered in gold and white patterned wallpaper. A black headboard with integrated reading lamps is behind the beds. To the left is a black bookshelf with books and framed art. To the right is a window with sheer white curtains and dark outer curtains. The floor is covered with a light-colored rug.

Games room for children

A modern, well-lit dressing room with white cabinetry, metal shelving, and a view into a bedroom. The room features a long, narrow layout with white walls and a light-colored carpet. On the left, there is a white vanity with a mirror and a small table with a bag. The right side is dominated by a large white wardrobe with multiple drawers and hanging space. The ceiling has several recessed lights. In the background, a doorway leads to a bedroom with a bed and a painting on the wall.
