The Indian Summer Festival

by Lia McDougall

Come to the Indian Summer Festival in Milwaukee this September! It's an event for all the family and there's lots for everyone to do.

**Join in a traditional Indian dance and wear one of the colourful costumes. There's a prize for the best dancer!
There are many performers at the festival to add to the fun!
Listen to some live music or watch some magic tricks with your children.
Watch the artists at work as they make moccasins (Indian shoes), baskets and blankets or take a walk around the market.**

**There, you can buy many interesting things!
Do you like eating different food?**

In the evening, there's also a firework display to make the whole event an exciting time for everyone. A visit to the Indian Summer Festival is a great day out for all the family. You should come along and see for yourself!
