THERE ARE FOUR SEASONS IN A YEAR: SPRING, SUMMER, AUTUMN, WINTER. ONE SEASON COMES AFTER ANOTHER AND BRINGS CHANGES IN NATURE.

SPRING. THERE ARE THREE MONTHS: MARCH,  
APRIL, MAY. IT IS WARM. IN SPRING I CAN WALK  
AND PLAY WITH CHILDREN.

IN SPRING WE ENJOY THE FIRST GRASS,  
GREEN LEAVES, THE FIRST FLOWERS.

THE APPLE TREES ARE WHITE.

THE HOTTEST SEASON IS SUMMER. THE SUN SHINES BRIGHTER AND THE DAYS BECOME LONGER. THERE ARE MANY FIELD FLOWERS.

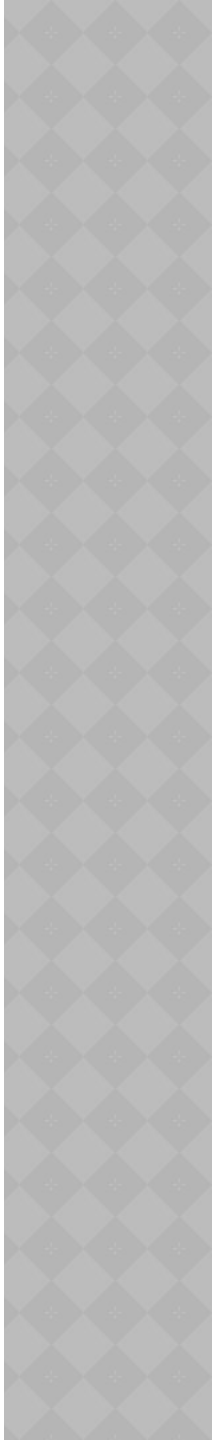

SCHOOLCHILDREN HAVE THEIR HOLIDAYS.  
WE LIKE TO SWIM AND DIVE IN THE RIVER.

I LIKE TO GO TO THE FOREST.

THERE ARE MANY BARRIES AND MUSHROOMS.

SOMETIMES IT RAINS.

THE WEATHER IS USUALLY FINE.

I LIKE SUMMER BECAUSE IN JUNE  
THERE IS A BIG  
HOLIDAY-SABANTUY.

WE GO OFTEN TO THE BEAUTIFUL  
WATERFALL.

AUTUMN COMES. IT'S COLD,  
CLOUDY AND WINDY.

IT IS A TASTY AND BEAUTIFUL SEASON. THERE  
A LOT OF FRUITS IN AUTUMN: APPLES, PEARS,  
GRAPES, PLUMS.

THE LEAVES ARE RED, YELLOW AND THEY  
FALL DOWN FROM THE TREES.

IN AUTUMN WE GO TO THE  
SCHOOL.

WINTER IS THE COLDEST SEASON OF THE YEAR.  
THERE IS MUCH SNOW IN THE WINTER.

I LIKE TO SKI, SKATE, PLAY  
SNOWBALLS, MAKE SNOWMEN.
