*Ovchinnikov Danil*

**THERE IS IN MOSCOW A QUIET LAVRUSHINSKI LANE, WHICH  
IS DAILY VISITED BY HUNDREDS OF THOUSANDS OF  
PEOPLE.**

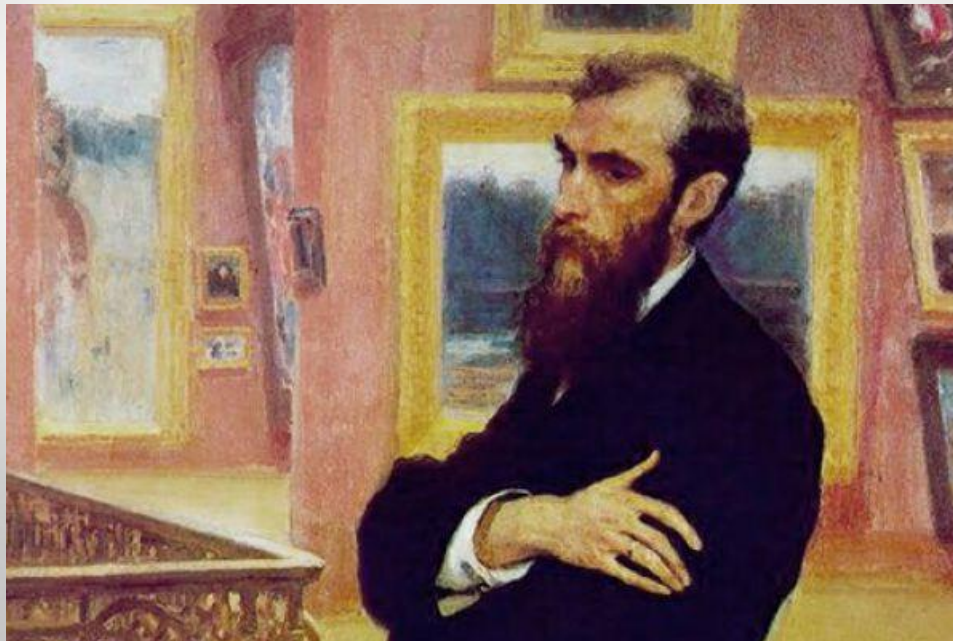

The metro station "Tretyakov" - is the shortest pathway.  
Take the escalator upstairs, you will find yourself on the  
Bolshaya Ordynka street. Cross the street, turn left. Next turn  
right, go to dead end . Go through it to the end, to the  
intersection with Lavrushensky alley. There is a building of the  
Tretyakov gallery.

Moscow is replete with art galleries and museums. Yet there is one gallery that remains a symbol of Russian art. It is the world-famous Tretyakov Gallery.

**THE TRETYAKOV GALLERY WAS OPENED IN 1856 BY A RUSSIAN  
TRADESMAN PAVEL TRETYAKOV, WHO OWNED ONE OF THE  
LARGEST ART COLLECTIONS.**

The gallery has an excellent selection of the best works by the "peredvizhniki": Ilya Repin (including "Ivan the Terrible and His Son Ivan"), Victor Vasnetsov, Ivan Shishkin, Vasiliy Surikov ("The Morning of the Strelets Execution"), Vasiliy Vereshchagin and others.

**ILYA REPIN "IVAN THE TERRIBLE AND HIS SON  
IVAN"**

## THE PICTURE OF VICTOR VASNETSOV "BOGATYRS"

**IVAN SHISHKIN "MORNING IN A PINE FOREST"**

**VASILIIY SURIKOV "THE MORNING OF THE STRELET'S  
EXECUTION"**

**VASILY VERESHCHAGIN "TRIUMPH"**

**EVERY YEAR THE TRETYAKOV GALLERY ATTRACTS MILLIONS OF VISITORS. IT'S CONSIDERED TO BE NOT ONLY AN ART GALLERY, BUT ALSO A LARGE CULTURAL AND EDUCATIONAL CENTER.**

## WHAT WE LIKED

---

The main building of the gallery includes the renovated Tretyakov home and several buildings that were attached to it at various times. The main facade of the building was erected in 1902 according to plans by the artist Victor Vasnetsov. In 1994, the Tretyakov Gallery opened after 10 years of restoration. This was not just a facelift to the building; the interior and technical equipment were brought up to the highest standards of quality, which is as it should be, since it contains so many treasures of Russian art.

An ornate, light gray decorative frame with intricate scrollwork and floral patterns, set against a dark background. The frame has a central rectangular area with rounded corners and a small decorative flourish at the top center.
