

British traditions and customs

Students of 7, 8th forms

Why is it important not only study language, but to study culture too?

- What british traditions and customs do you know?
- What is the attitude of the British to their culture and traditions?
- What similarities of British and Russian cultures do you know?

Our hypothesizes

- If you know English language you will understand the british without difficulties.
- It is not enough to know only English you have to study culture too.

The methods of investigations

- Studying of regional geography books, and information from the Internet
- Comparison of british and russian cultures
- Analysis of the results
- Conclusion-answer to the question “Why it is not enough to know only language for understanding the foreigner?»

Traditions of Britain

Traditions are very important for the british

- Left-hand transportation
- English breakfast is famous for its solidity
- British value home and relatives
- British love animals
- Sport games-golf, cricket, polo
- British value pure English Language
- The most important holidays are Christmas and Easter

Russian traditions

- Russians value not only official holidays but also Christmas and Easter
- Russians measure life according to seasons
- Russians value home and Motherland
- Russian cuisine is very varied and rich

The most important differences

- Russians can ask personal questions to each other, But for British it is taboo.
- British people always change clothes for the dinner, Russians not.
- The British can listen to the speaker attentively, but it does not mean that they understand you.

Do Russian and British cultures have similarities?

- There are some similarities in Russian and British cultures
- People of these countries have interest in each other's literature

For example festival “Pushkin in Britain”, festival of Russian poetry.

It is not enough to know only language for understanding people, it is important to know their culture

- There are some similarities in the cultures of both countries, but there are a lot of differences.
- It is important to study linguistic and cultural guides, the Internet, and visit other countries

Мы провели опрос одноклассников: вопрос№1

знаете ли вы английский язык хорошо?

Вопрос №2

достаточно ли знать только иностранный язык, без знания культурных особенностей?

Вопрос №3

Есть ли схожесть британской и российской культур?
