# WRITING TIP:

When we write a descriptive article about an event, a special occasion/celebration, etc we attended, we divide it into four paragraphs.

- In the **introduction** we mention the **name** of the event and the **time, place** and **reason** it is held.
- In the **second** paragraph we describe **preparations** which are made before the event.
- In the **third** paragraph we describe what happened during **the event itself**.
- In the **conclusion** we mention our **feelings** and make **general remarks** about the event.

# Plan
