

TV-SHOW OUR PLANET THE EARTH

The 1st tour

Whether the weather be fine
Or whether the weather be not
Whether the weather be cold
Or whether the weather be hot
We'll weather the weather
Whatever the weather
Whether we like it or not.

Don't trouble trouble
Until trouble troubles you.
It only doubles trouble
And troubles others, too.

Little Linda lost her locket,
Lovely, lucky, little locket.
Lately Linda found her locket
Lying still in Linda's pocket.

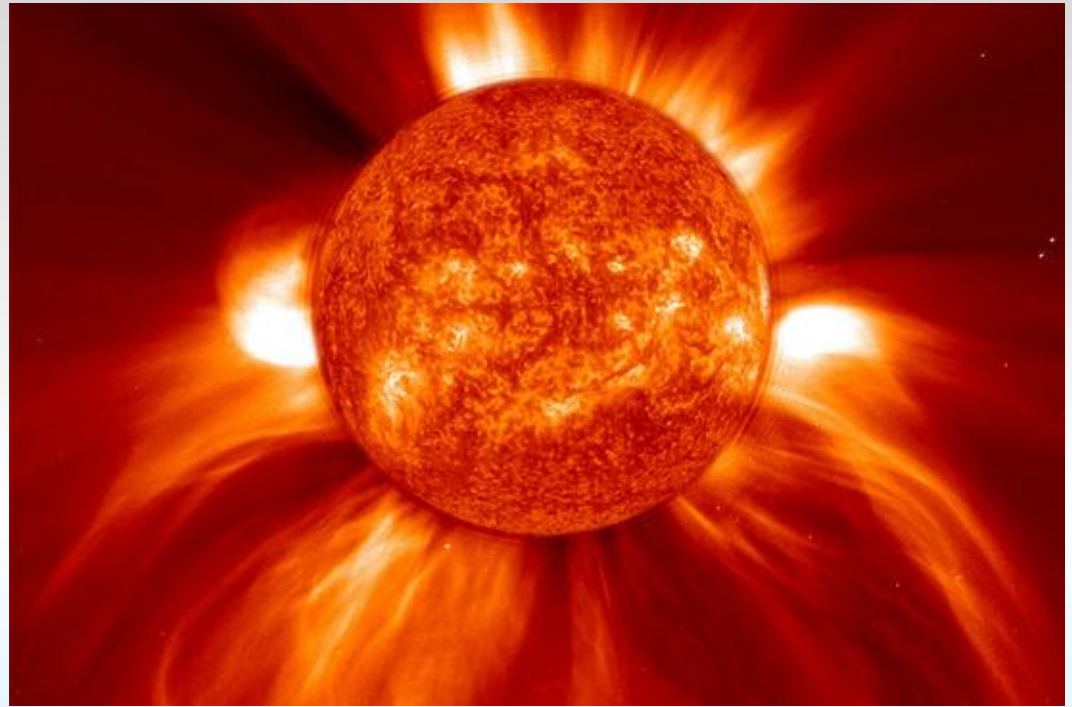

The 2nd tour

What colour is the Earth if you watch it from the space? Why is it so?

What helps our planet
to keep warmth?

How many main planets are there in the Solar System?

Where are stars and planets?

How do we call people
who work in space?

What do they wear in space?

What do we use to see stars?

What is the Milky Way?

What is the shape of the Galaxy?
