

A photograph of a tree-lined path in autumn. The ground is covered in fallen orange and yellow leaves. The trees have dense foliage in shades of yellow, orange, and brown. The path leads into the distance, flanked by trees on both sides.

Seasons and the weather

A winter landscape with snow-covered trees and a frozen pond. The scene is captured in a soft, slightly desaturated color palette, emphasizing the white and blue tones of the snow and sky. The trees are bare and heavily laden with snow, their branches creating a delicate, intricate pattern against the sky. The pond in the foreground is partially frozen, with snow piled up along its edges. The overall atmosphere is quiet and serene, typical of a winter day.

*Weather is hot,
Weather is cold,
Weather is changing
As the weeks unfold.
Skies are cloudy,
Skies are fair,
Skies are changing
In the air.
It is raining,
It is snowing,
It is windy
With breezes blowing.
Days are foggy,
Days are clear,
Weather is changing
Throughout the year!*
