GOODBYE FREAS

Le-mult.ru

A vibrant, computer-generated scene of a tropical jungle. In the center, a zebra is captured mid-air, performing a backflip over the word "MADAGASCAR". The zebra is white with black stripes and is positioned directly above the letters. The word "MADAGASCAR" is rendered in large, bold, 3D block letters with a yellow-to-orange gradient and a slight shadow. The jungle is filled with tall palm trees, lush green foliage, and colorful red and pink flowers in the foreground. The sky is a soft blue with light, wispy clouds. The entire scene is set against a solid light green background.
