Mr. Charles Norris  
ABC Consulting  
1 East Main Street  
Springfield, MA 01101

Dear Mr. Norris:

Kelly Smith, a colleague contacted for ABC Consulting, recently told me about an opening for a support technician intern. As a Computer Information Technology major I am interested in this position. My training in computer information technology and my experience with troubleshooting (hardware, software and network) make me an excellent candidate for this position.

I am enclosing a copy of my resume outlining my academic achievement and experience providing technical support while working at Champlain's Computer Help Desk. I am available to relocate in April to join your team for a summer internship.

I welcome the opportunity to talk about this exciting opportunity. I will call your office next week to further discuss an internship. Please contact me if you require additional information.

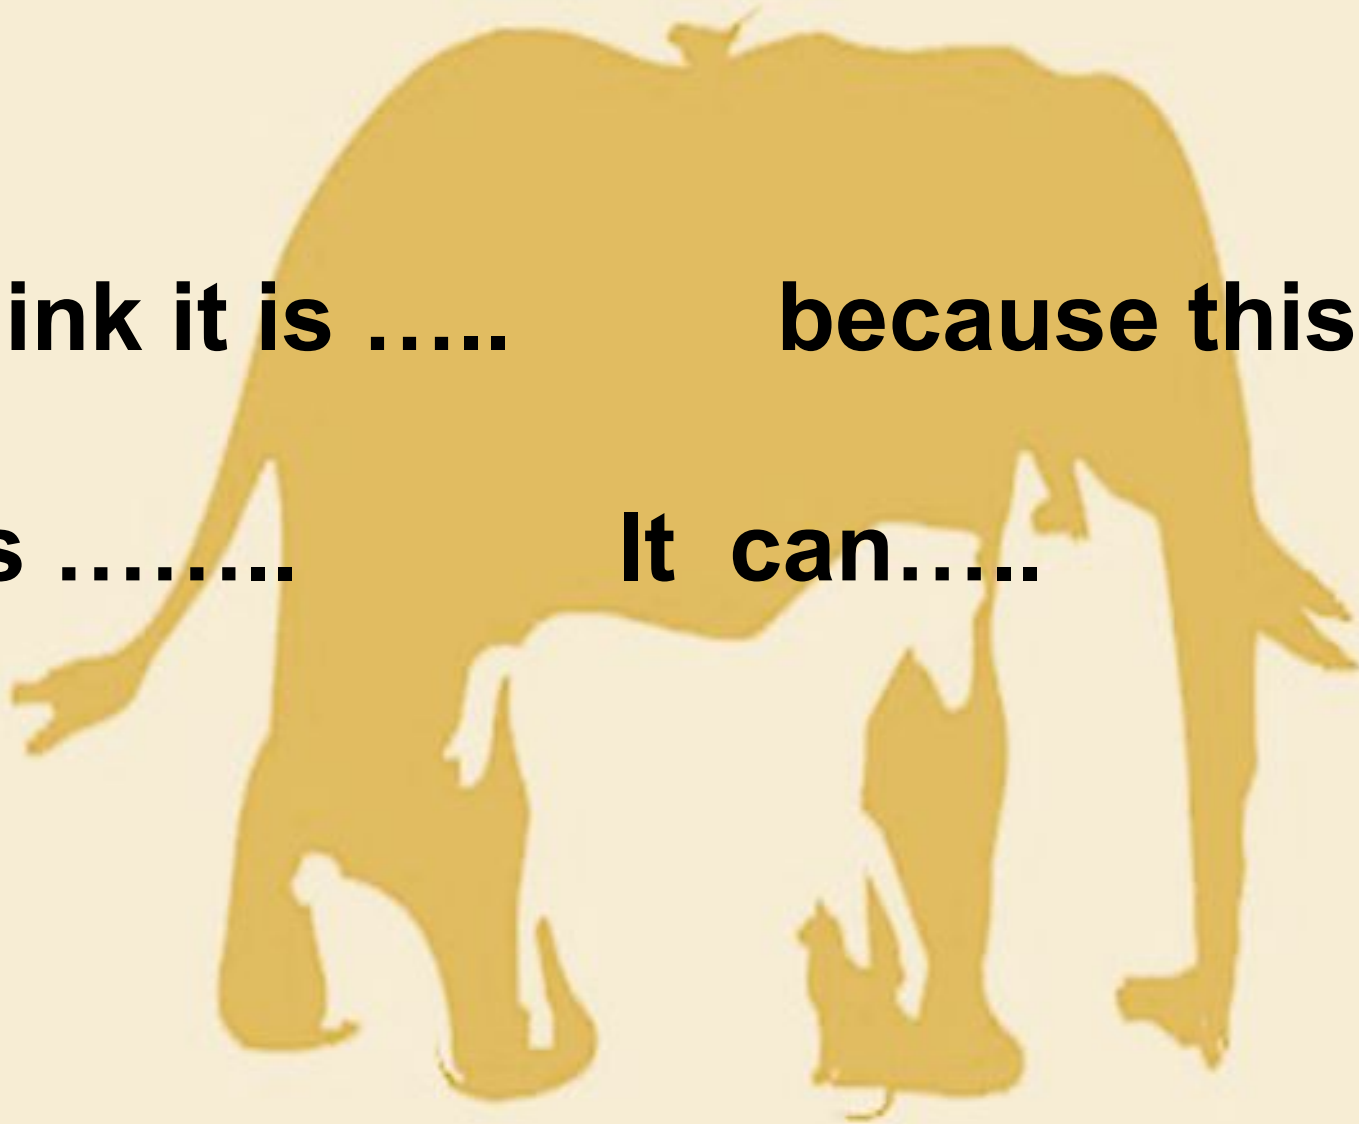

I look forward to speaking with you soon.

Sincerely,

Hook (P&C)
