Lomonosov Moscow State University

Lomonosov Moscow State University - the leading , one of the oldest and largest classical universities of Russia, one of the centers of national science and culture . C 1940 is named after Mikhail Lomonosov , the full name - Federal State Educational Institution of Higher Professional Education "Moscow State University named after MV Lomonosov , " commonly abbreviated as " MSU".

MSU includes 15 research institutes , 40 faculties, 300 departments and 6 branches (including five foreign - all CIS) . The university has about 35,000 students in undergraduate , graduate and specialties , 5,000 graduate students, doctoral students, job seekers and 10,000 students of preparatory departments , a total of about 50,000 people.

The educational process

- Beginning in 2011, MSU entered training in the six-year integrated program , despite the fact that in 2011 the Russian universities should finally go to the two-tier system in accordance with the principles of the Bologna Convention . Moscow State University Rector Viktor Sadovnichii said that the university will prepare students for their own standards. According to him, they " will be higher than the state ." Thus, the basic forms of training at MSU will be learning specialist and master . In this specialist will train for six years . Bachelor , as reported by the rector of Moscow State University , will be only a few faculties of the university. Experts estimate the solution manual MSU ambiguous.

My opinion about University of Cambridge.

- I think it is very nice and prestigious university, but I would not be there to learn because you have to spend a lot of money, but if you suddenly want to go to university abroad and you have so much money, then I suggest you go at this institution.

My opinion about Lomonosov Moscow State University

- This is very cool university. But there you need to spend a lot of money too. I think this two universities have their advantages and disadvantages.
