LONDON'S MAP....

Hyde Park

It is the largest park and one of London's finest historic landscapes.

There is something for everyone in Hyde Park.

With over 4,000 trees, a lake, horse rides and more. And it's one of the most popular places for Londoners on hot summer days.

It is easy to forget you're in the middle of London.

The main attraction in the park is the Lake Serpentine. You can swim and go boating....

Green Park

The Green Park is famous for its trees and grassland. If you need a rest from London's life, this park is for you.

It lies between London's Hyde Park and St James's Park

A scenic view of a river in St James's Park, London. The river flows through a lush green landscape with many trees, including a large weeping willow on the left. In the background, a large building with a dome is visible through the trees. The sky is overcast. The text 'St James's Park' is overlaid in blue and green.

St James's Park

This park is the oldest Royal Park in London and it is surrounded by three palaces.

St James's Park is at the very heart of London.

The Regent's Park

- The Regent's Park has both open parkland and formal gardens, a large boating lake and open air theatre. Herons (цапля) nest on the lake and you can see many other birds. The
