The weather

A vibrant, cartoon-style illustration of a sky. On the left, a large, bright yellow sun with rays is partially obscured by a soft, white cloud. In the center, there are several fluffy white clouds. On the right, a bright yellow crescent moon is visible, also partially behind a white cloud. The background is a clear, light blue sky. At the bottom of the image, there are four smaller, faded versions of the sun, clouds, and moon scene, arranged in a row.
