Model slide

Las Vegas, History

- The city was created by a **reputed gangster** Bugsy Siegal .
- In December of 1946 he built the original Flamingo **resort** in the barren desert wastelands of Nevada.
- He dreamed of creating a whole new resort city in the desert.

Example

How to find the cities on the Internet?

<http://www.usatourist.com>

Phoenix, Arizona

<http://www.usatourist.com/english/places/arizona/phoenix.html>

Orlando, Florida

<http://www.usatourist.com/english/places/florida/orlando.html>

New Orleans, Louisiana

<http://www.usatourist.com/english/places/louisiana/neworleans.html>

<http://www.usatourist.com/english/places/louisiana/attractions.html>

Chicago, Illinois

<http://www.usatourist.com/english/places/illinois/chicago.html>

Conditions

- Contents – according to the plan.
- Design – according to the example or better. 
- 1 student works in Internet and makes the presentation in Powerpoint, the others make notes and prepare for the oral presentation.
- The members of each group get the same mark.
- Time limit – 30 minutes.
- You can use the computer dictionary on your PCs.

Listen to presentations!

- While listening, make notes to decide what city you would like to visit and why. Name at least 3 reasons.

The title 'Discussion' is centered at the top of the slide. It is surrounded by five circles: a solid light purple circle on the far left, a light purple circle with a white outline behind the letter 'D', a solid light purple circle behind the letter 's', a white circle with a light purple outline behind the letter 'i', and a solid light purple circle on the far right.

Discussion

- *Express your opinion on the question –
what city would you like to visit and why? Name at
least 3 reasons.*

Lesson Results

- *What new things have you found out at the lesson?*
- *What did you learn to do?*
- *Would you like to know more on the topic of the lesson?*
