

In the castle

The prince married Cinderella and they went to the castle.

It was a party in the castle.

There were flowers around the castle.

There was a river near the castle.

There was a study room .There were books on the shelves round on the table. There was a lamp on the table.

There was a nice bedroom for Cinderella.

There was a nice living room .There were a sofa at the table with a clock and flowers on it.

There were many other rooms in the castle.

There was a nice children room with a bed and toys in it.

Cinderella was very happy to live here.

Once the stepmother decided to visit Cinderella. She come to the castle. She wanted to take her jewelry.

The prince was not at home.

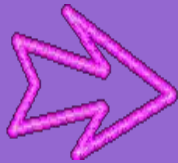

Cinderella asked a fairy to help her.

She hid Cinderella in her servant`s room.

The stepmother looked for Cinderella.

Cinderella was in her servant`s room.

The time was over. The angry stepmother must go home.

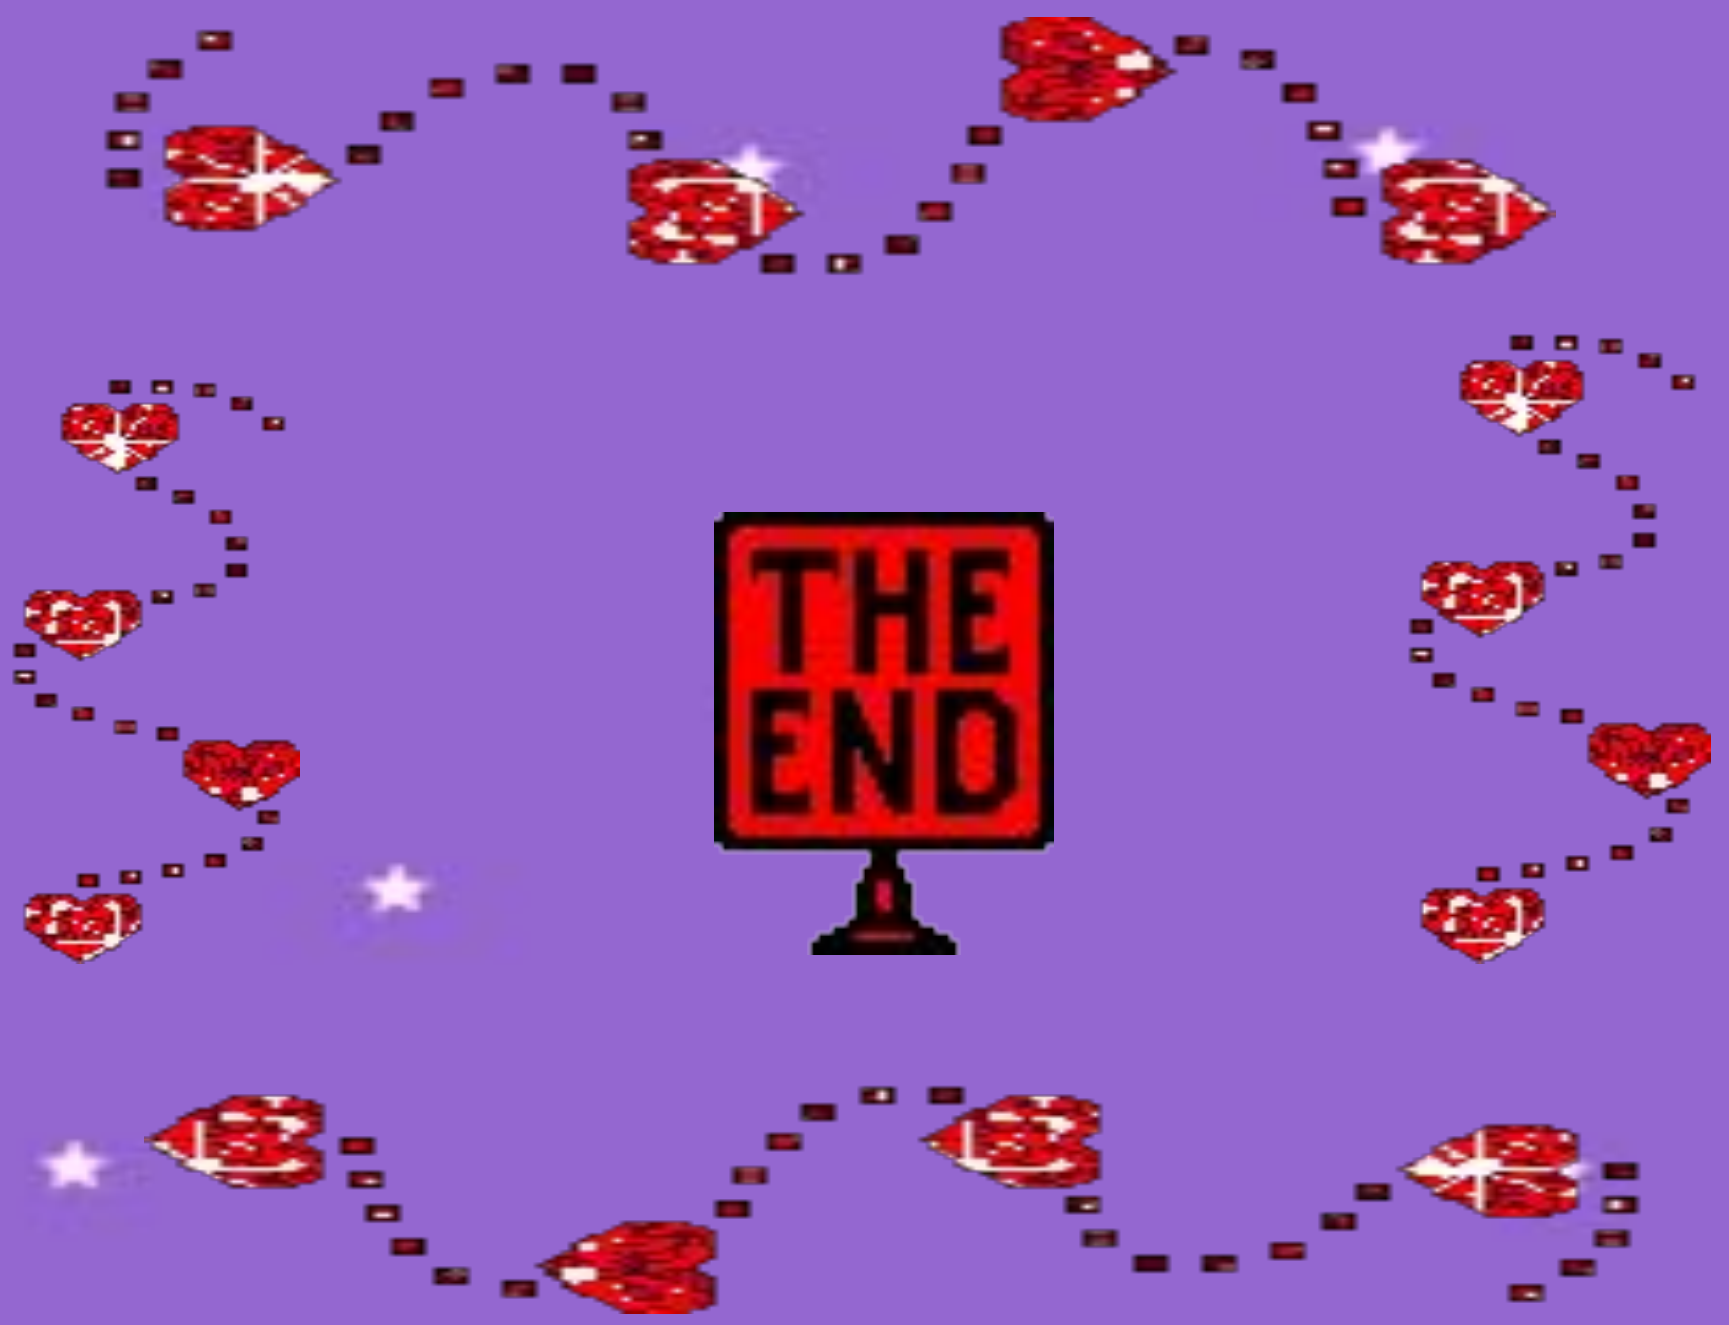

Cinderella got a letter from the prince.

She waited for the prince.
