

Song #2

Victory Chant

Chinese goes here

By Bob Fitts

Hail Jesus, You're my King

Chinese goes here

Your life frees me to sing

Chinese goes here

Oh I will praise you all my days

Chinese goes here

You're Perfect in all Your ways

Chinese goes here

Ohhhh Hail Jesus, Your my Lord

Chinese goes here

I will obey Your Word

Chinese goes here

I want to see Your Kingdom come!

Chinese goes here

Not my will, but Yours be done

Chinese goes here

Glory glory to the Lamb

Chinese goes here

You take me into the land

Chinese goes here

We will conquer in Your name

Chinese goes here

And proclaim that Jesus reigns

Chinese goes here

Hail hail Lion of Judah

Chinese goes here

How wonderful You are

Chinese goes here

Hail hail Lion of Judah

Chinese goes here

How wonderful You are!..... Singing...

Chinese goes here

How wonderful You are!

Chinese goes here

Glory glory to the Lamb

Chinese goes here

You take me into the land

Chinese goes here

We will honor Jesus' name

Chinese goes here

And proclaim that Jesus reigns

Chinese goes here

Hail hail Lion of Judah

Chinese goes here

How wonderful You are

Chinese goes here

Hail hail Lion of Judah

Chinese goes here

How wonderful You are!.....Say...

Chinese goes here

How wonderful You are!

Chinese goes here
