# Gregory Svetlitsky

- Moonlight in pictures Svetlitskogo extremely diverse: it is sparkling like an emerald ("Night at Saltanivtsi," "Moonlight in Ukraine"), then lit a delicate bluish-silvery, almost white light ("Light Night"), it is hardly noticeable for eye bluish-green hues of brilliant, pure tone pervades the entire surrounding landscape, creating an amazingly beautiful symphony of color. This is a beautiful picture of his "moon came up," and others.

□ Can a long history of its monthly variation nights of amazing musicianship. "Inn", "Spring Night", "mounted a month," "a clear night," "The July night", "night fragrant," "Moonlight," "Moonlight," "Moonlight Sonata," "Winter's Night", "Caucasian night ", " midnight ", " Berezki in the moonlight "

□ His great works and sketches "Traffic light", "Berezki in the moonlight" (almost miniature), "Lilac", "The Last Ray", "Old House" and many other reasons - all deeply felt and skilful hand of a talented master sent for canvas, paper, cardboard, passed various types of art techniques: oil, watercolor, pastel, tempera.

- Most of the art works of Gregory Petrovich full genuine lyric poetry. And in the big picture, "the moon came up," and in small landscapes "Berezki in the moonlight" and "Road spark" a lot of feeling, soul, love and high painting skills - because they are true pieces of art that capture, care encourage the viewer.
