

WELCOME IN THE CITY  
OF ASTRAKHAN.

**ASTRAKHAN IS  
SITUATED ON THE  
VOLGA, NOT FAR FROM  
THE CASPIAN SEA.**

- The city has an interesting history. There was an ancient city Ityl in the third century on the right bank of the river. It was a capital of the Khasaren.

- *In old chronicle we can read the name*

*“Astrakhan” or “Adshitarkhan”.*

*But in 14-th century Timur’s troops destroyed the city, and it was restored in 15-th century again and became the capital of khanats.*

*In 1556 Ivan the Terrible combined Astrakhan khanate and Russia. In two years the city was built on the left bank of the Volga. So began the history of modern Astrakhan.*

The Kremlin was built in Astrakhan in 16-th century with many towers and Troitsky Cathedral.

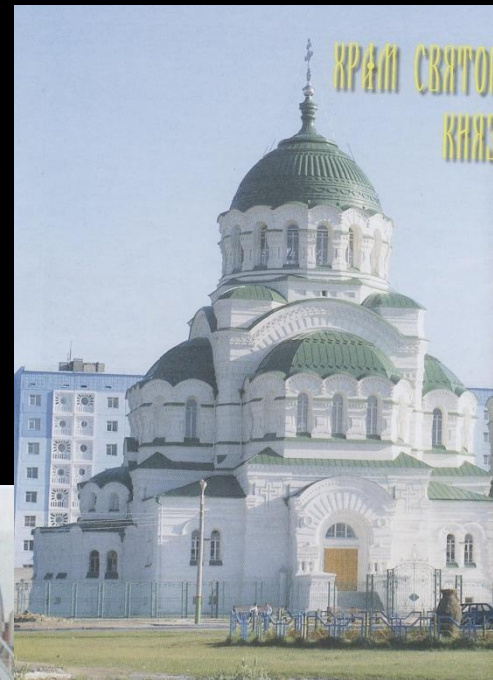

**Peter the Great founded the Admiralty. He has built a port in the south of Russia.**

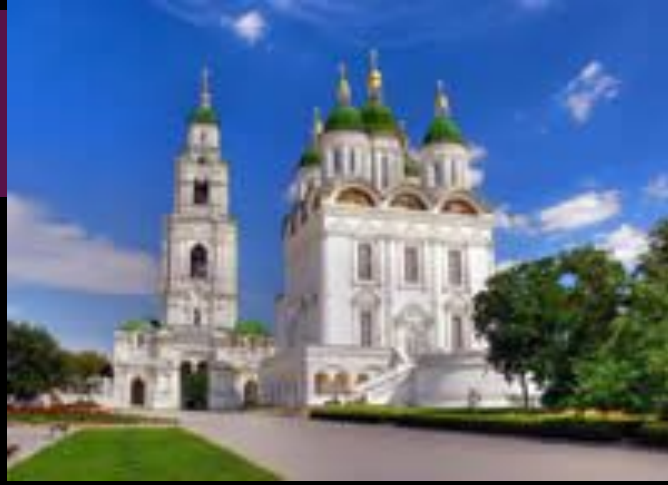

*Astrakhan is a big and beautiful city now. There are more than 500 thousand inhabitants in it.*

*There is a seaport , an airport, a railway station, a river boat station in the city. Shipbuilding and Fishery are highly developed in Astrakhan. Universities, institutes, colleges, three theatres, museums, a Gallery, many churches are there in Astrakhan.*

*Historical monuments, beautiful buildings, parks and gardens are worth seeing. The Kremlin with the Uspensky Cathedral is a masterpiece of architecture.*
