

Welcome to our spring lesson!

Why do people like spring?

**This is the season when
snowdrops bloom, when nobody
likes to stay in the room.**

**This is the season when birds
make their nests, this is the
season we all like best.**

In spring the air is fresh, the sky is blue. The sun shines

Birds come from the South and begin to build their nests.

Green leaves appear on the trees and many beautiful flowers begin to grow.

**In spring we celebrate the 8th
of March and greet our
Mummies and Grannies.**

**Our dear, dear Mummies, we love
you very much
We want you to be happy on the 8th
March**
