

*Welcome to
school
radio*

*On our radio you can order any songs
which are pleasant to you,
or to bring the disc*

You can show your talents!

you can sing

or play any musical instrument!

You can transfer greetings

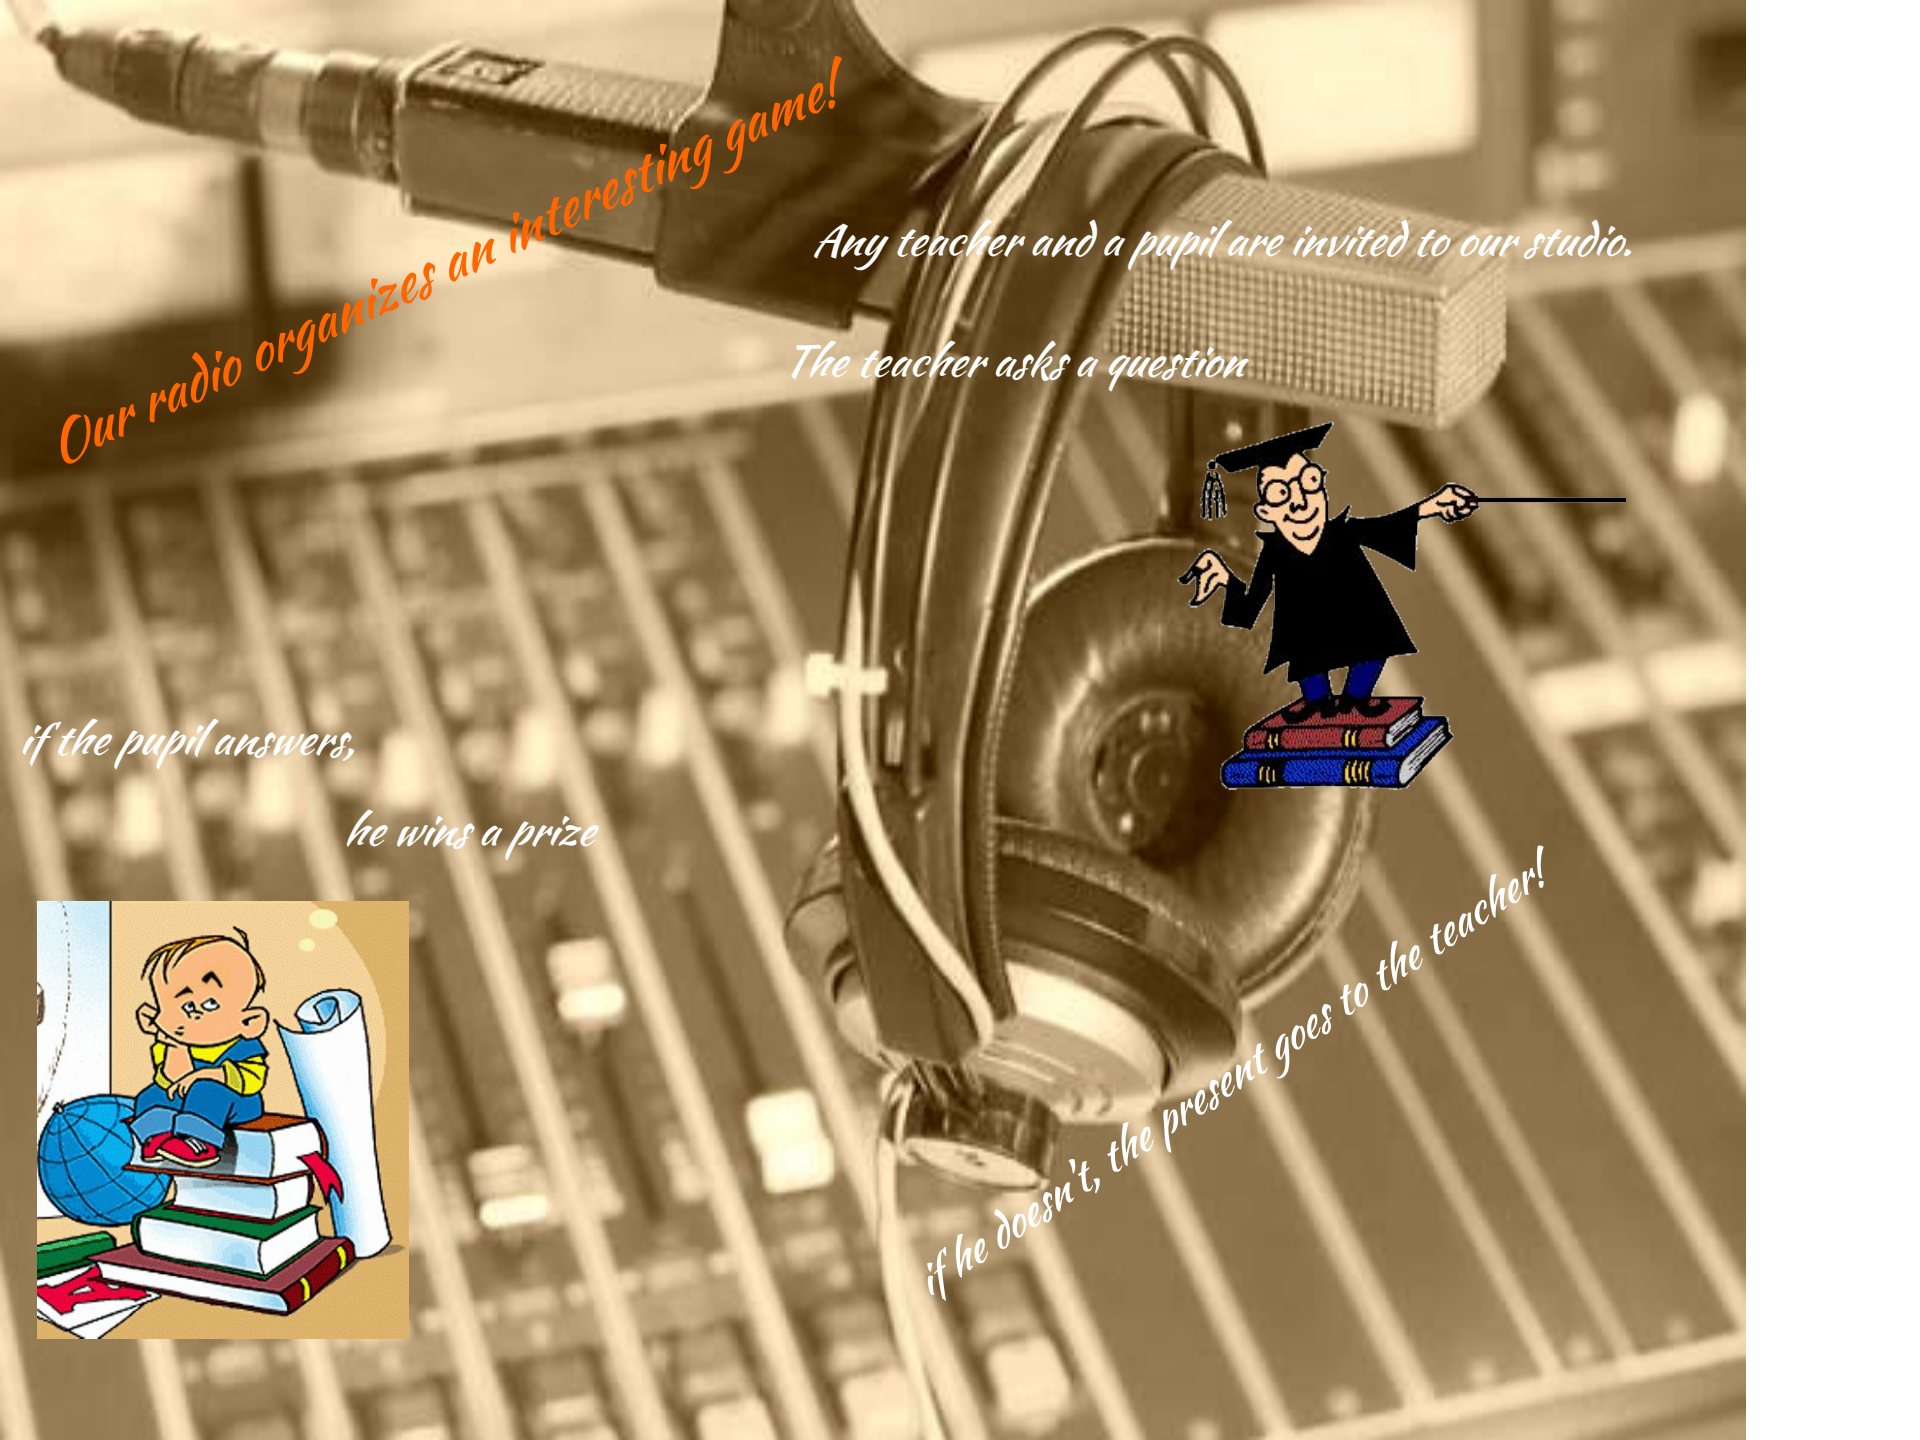

or congratulations using our radio

*As you can leave your wishes at us in a
magazine*

which will be read then by the broadcaster of the radio!

Our radio organizes an interesting game!

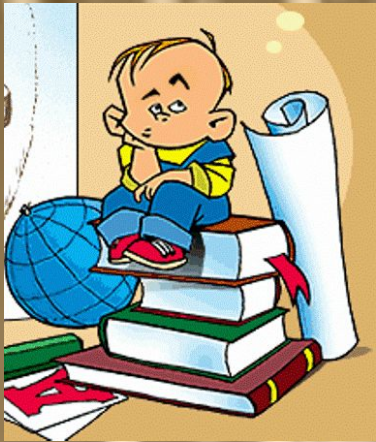

Any teacher and a pupil are invited to our studio.

The teacher asks a question

if the pupil answers,

he wins a prize

if he doesn't, the present goes to the teacher!

With love, Pomoskova Valeria ^.^
