# Why do you think people travel?

People travel the globe to see other countries and continents, modern cities and the ruins of ancient towns, they travel to enjoy *picturesque* places, or just for a change of scene. Today people have lots of *reasons* to travel. Travelling has always been a part of people's *education*. The best way to study geography is to travel and the best way to know and understand the traditions and customs of *different* people is to speak to them. Besides, travelling is a good way to *practise* foreign language. It goes without saying that it's always interesting to *discover* new places and new ways of *life*, to try foreign food and to listen to *unusual* musical rhythms. It's much better than sitting at home and doing nothing.

# Which of these would be your ideal place to go on holiday?

Would you be interested in....?

So, what do you think ?

What about...?

It would be a nice change if .....

Maybe we could...?

You are probably right.

Sounds perfect.

That's a great idea.

That would be lovely.

I don't think that...

Well, I don't know.

Perhaps it would be better if...

No, I'm afraid it's not my cup of tea.

# TRAVELLING

People travel because...

To see other countries and continents

To enjoy picturesque places

For a change of scene

To understand the traditions and customs

To practise foreign language

Modern people have a lot of ways to spend their holidays.

Quiet holiday by the sea or in the mountains

Enjoy hiking or mountain skiing

Admire animals going on safari

They can travel by...

Air: speed and comfort

Train: more practical and economical; Enjoy the splendid view of the country-side

Sea: relax on the sun deck and enjoy the panoramic view of the sea

Car: rather convenient, Don't have to buy tickets

My ideal place to visit is...
