The USA and its attractions

Washington

Washington is the capital of the USA. It isn't the largest city, but it is very beautiful and has many attractions. There is **the Capitol** and **the White House** there. In the Capitol the Congress works and in the White House the President lives.

Tourists come here to watch the "Pencil", Jefferson Memorial and Lincoln Memorial or to visit the National Air and Space Museum. The White House is an attraction, too.

New York

There is no city quite like New York. It is known as **The City That Never Sleeps**. There are thousands of things to do and places to visit for tourists. The most famous landmarks must be **The Statue of Liberty** - a symbol of freedom and **the Empire State Building**.

- **Central park** is the largest park of the USA. There are many attractions in this park.
- Sports fans can watch and play baseball. You can relax in Central Park. There is **Children's Zoo** there.

Boston

- Boston is the oldest city of the USA. It is famous for its role in the War for Independence. Tourists can see many interesting things there. In **the Public Garden** one can go boating on a **boat which has a shape of a swan**. Every year **Boston Marathon** takes place in Boston. Many people take part in it.

Los Angeles

- Los Angeles is very big, noisy and famous all over the world because there is **Hollywood**. In Hollywood American films are made. And near Los Angeles there is wonderful fairy land called **Disneyland**. In Disneyland you can see the characters from Walt Disney's films.

Natural attractions of the USA

- There are many natural wonders in the USA. The most widely known is **Niagara Falls**. It is an Indian word which means "roaring waters". Other attractions are **Yellowstone** and **Yosemite National Parks**, **Grand Canyon**, and the vast **desert** between Salt Lake City and Reno, Nevada.
