A photograph of the Colosseum in Rome, Italy, taken at dusk. The sky is a mix of blue and purple, with some clouds. The Colosseum is illuminated from within, casting a warm orange glow through its arches. The structure is partially ruined, with some sections missing. In the foreground, there are some dark silhouettes of trees and a fence. On the left side of the image, there is a decorative orange arrow pointing right and several thin, light green lines. The text "TO SEE THE SIGHTS" is overlaid in a large, black, serif font in the upper right quadrant.
