

# WHY LEARNING ENGLISH IS SO IMPORTANT

DO YOU  
SPEAK  
ENGLISH?

*As many languages you  
know, as many times  
you are a human being*

*Czech proverb*

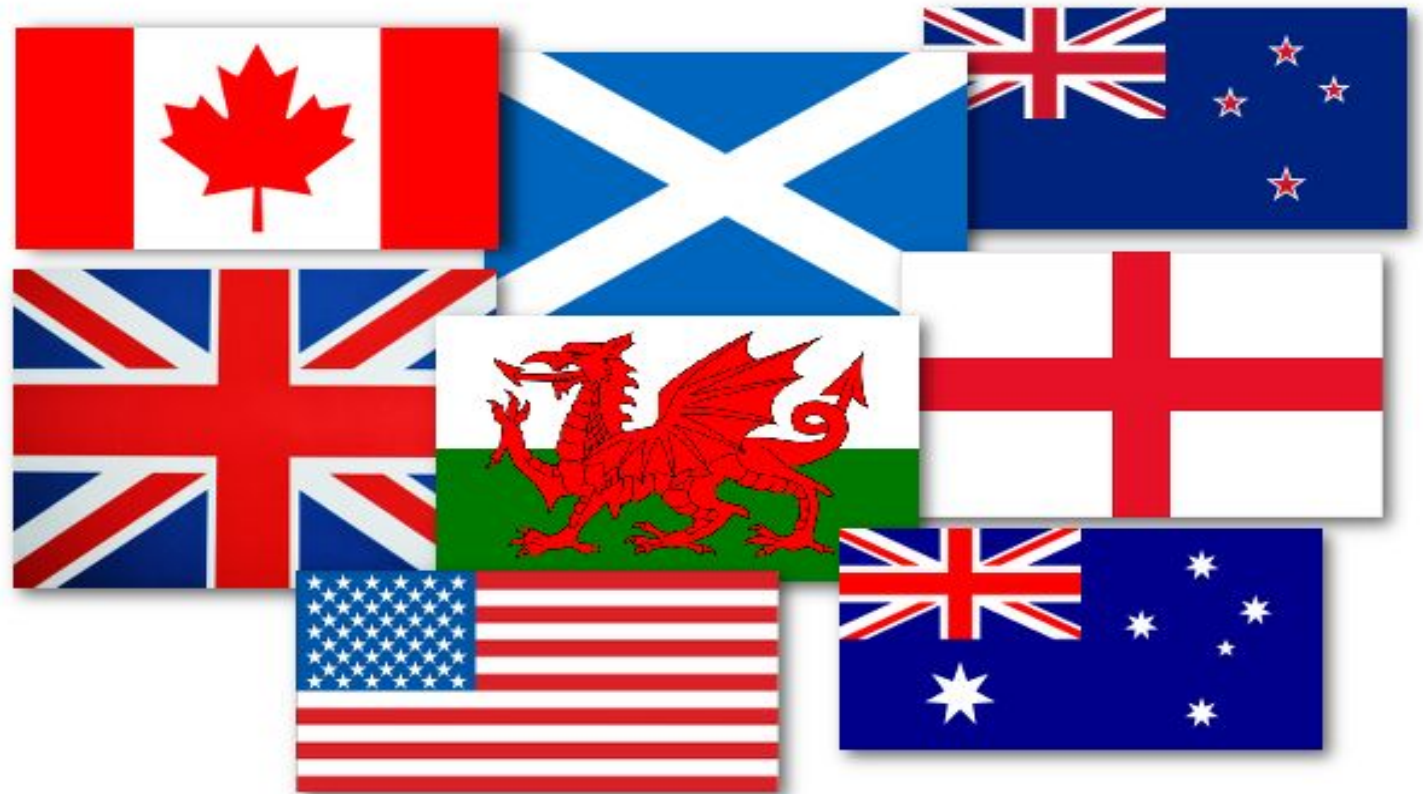

English is the most commonly spoken language in the world.

One out of five people can speak or at least understand English!

English is the official language of 53 countries.

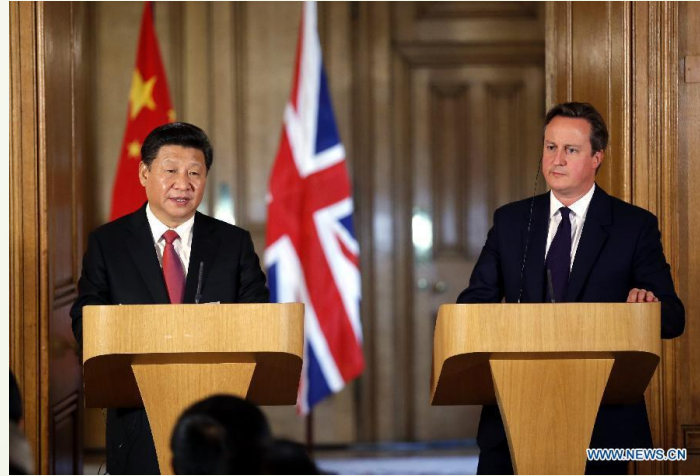

□ That is a lot of people to meet and speak to.

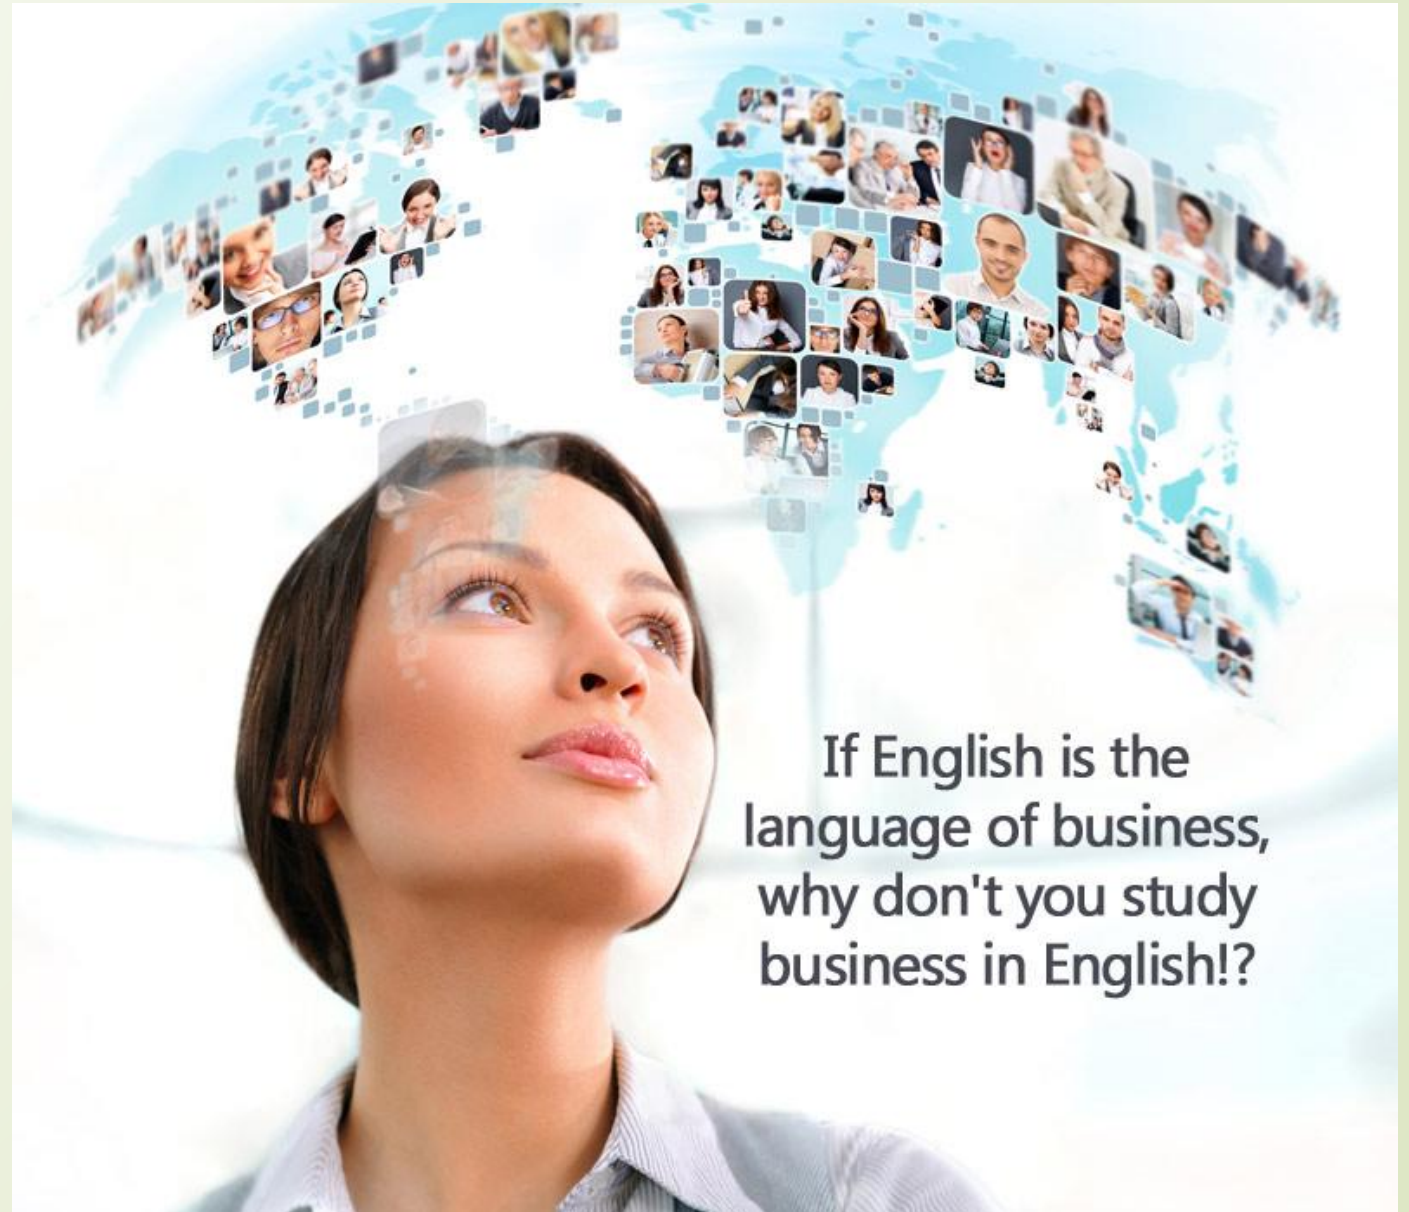

# English is the language of

- science
- aviation
- trade
- computers
- diplomacy
- tourism
- cultural relations

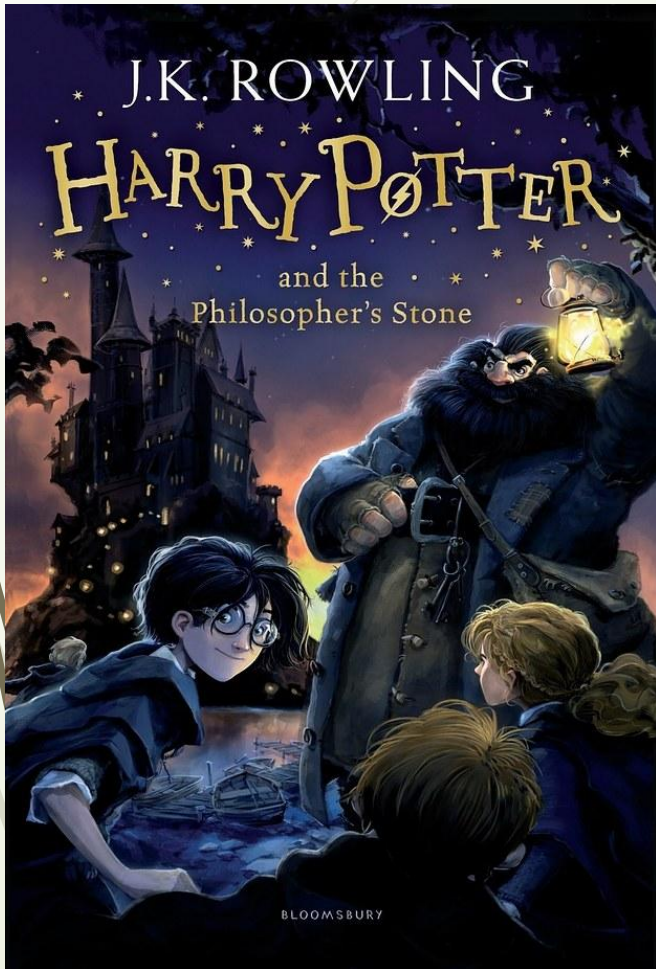

English is also the dominant business language.

**If English is the language of business, why don't you study business in English!?**

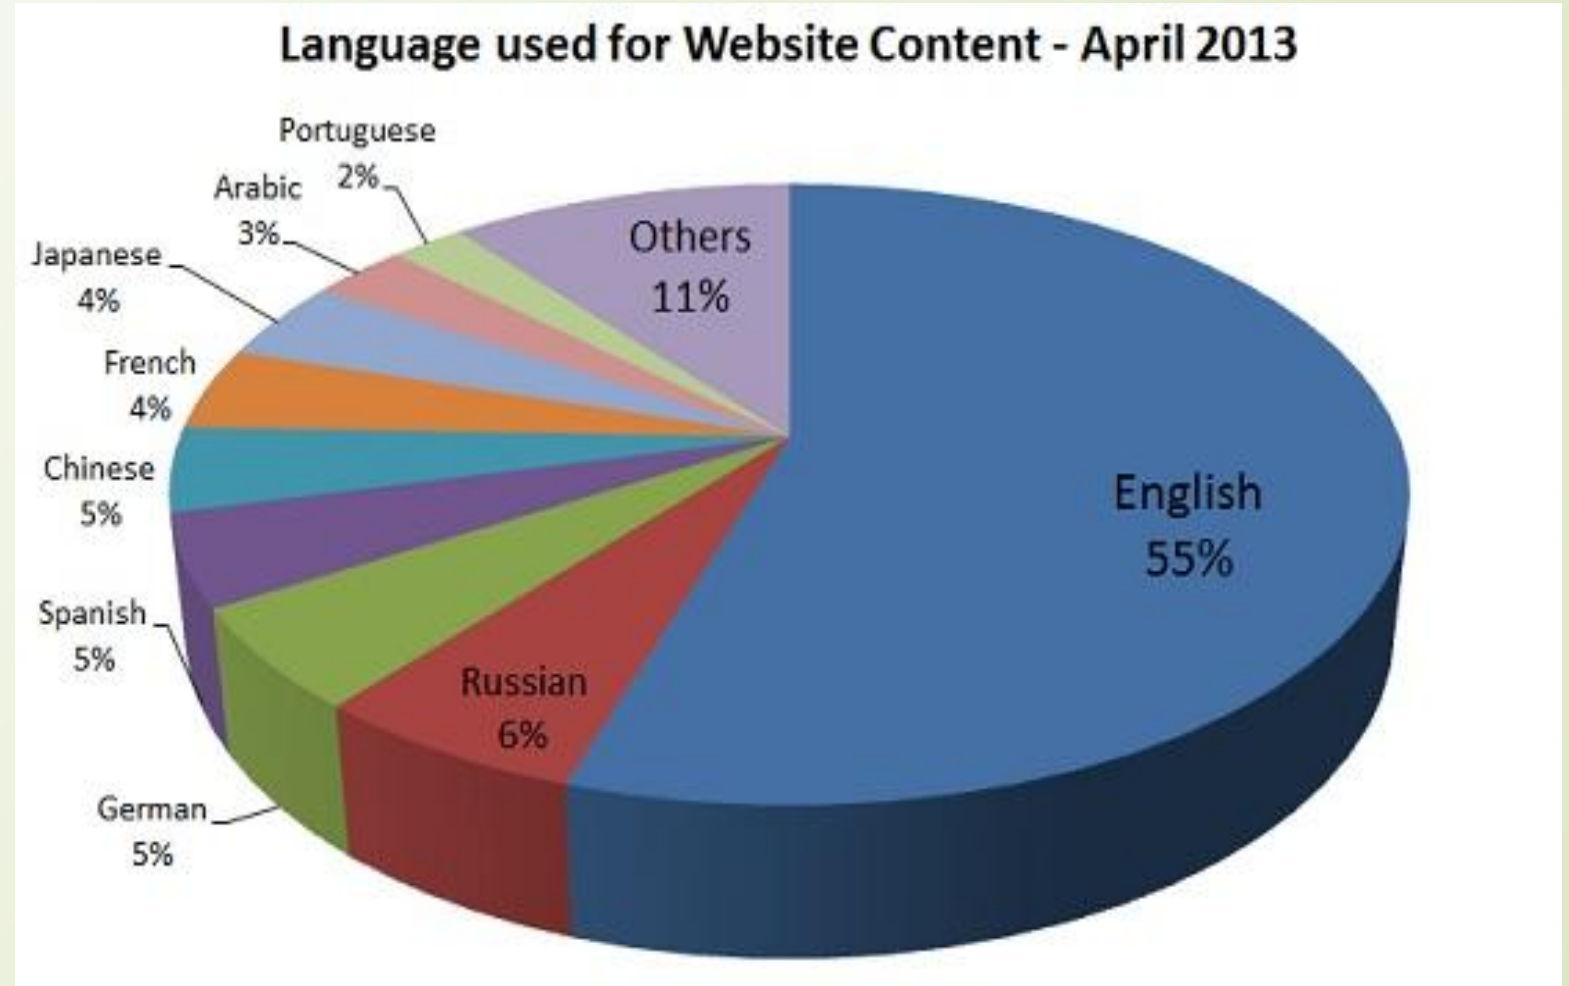

# English is the language of the media industry.

English is also the language of **the INTERNET**, which I use a lot!

(more than 50% of its content is in English)

Understanding and speaking a foreign language became necessary while applying for a good and well-paid job.

By learning English, you will also learn about other cultures.

Learning other cultures will make you grow as a person.

- food
- traditions
- values
- habits
- way of life
- slang ...

and tons of other interesting things

English is a global language of pop culture.

Even non-native English speakers have at least a couple of songs in English.

In many world's best universities the primary language of instruction is English.

Never forget:

English is fun!

THANK YOU FOR YOUR  
ATTENTION!
