2012 Annual Summary

SIMSERY-PITKA ENTERPRISES
JANUARY 2013

Corporate Overview
The consumer products industry has seen dramatic change in the last decade, due to increasing costs in manufacturing, need for innovative products, and decrease in brand loyalty. These changes have created the need to modify previous tactics to continue operating in this competitive industry.

Acquisition of Pitka Industries
In November, Simserv completed the process for acquiring Pitka Industries to form Simserv-Pitka Enterprises. The combined resources provide a stronger, more versatile organization to create innovative products and compete during the economic recession. This is a breakdown of the combined organization's divisions, their locations, and number of employees:

Simserv Headquarters	Cleveland	1,315
Pitka Division	Seattle	1,235
Product Development	Cincinnati	350
West Coast Distribution	Phoenix	123

2012 Management Changes
On January 1, 2012, **Dewey A. Larson** was named Chairman of the Board and Executive Officer by the Company's Board of Directors, replacing MEX Andrews, who served in this position for 25 years of service. Mr. Larson first joined Simserv in January 1992 and has since then served in various capacities for the past 20 years. In March 2012, **Jeri Reed** joined Simserv as its Chief Financial Officer. Ms. Reed has an impressive record in the industry over the past 20 years, which includes a position as CFO in a British company worth \$50,000,000. She adds strength to our management team, particularly as we face the important challenge of improving the financial and operating performance. Ms. Reed has stated:

"In 2013, we take the bull by the horns. Everyone at Simserv-Pitka must pull together and work toward our mutual success. I'm counting on every employee to focus on our common goals to succeed."

ALONG THE GREENWAYS

Volume 2, Number 2 Summer 2012

Trail Update:
The City of St. Joseph is pleased to announce the completion of the 4.1-mile long Southside Trail. This exciting new parkway will be completed by the City of St. Joseph and the Greenways Commission over the next few months. The trail will be built on the former site of the old St. Joseph County Jail. The trail will be paved and will include a paved path for walking, jogging, and biking. The trail will be a great addition to the city's greenways system and will provide a safe and scenic route for people to enjoy. The trail will be completed by the end of the year. The City of St. Joseph is proud to be a leader in providing quality recreational facilities for its citizens. For more information, please contact the City of St. Joseph at (513) 123-4444.

Hard returns

Word wrap allows you to type continuously without ever having to worry about where the line ends. A soft return is created in the document as the text is continued from one line to the next. It is not until you press the Enter key at the end of a paragraph that a hard return is entered in the document.

Soft returns

The position of the soft returns is changed automatically as you make changes in the text or the document formatting. The position of the hard returns always remains the same, unless you intentionally insert or delete them.

MULTI-DAY TRIPS
The most popular multi-day trip is Ponca to Pruitt, a 25-mile float that takes a minimum of two days to complete. However, with 150 miles of River to explore, their are many ways to enjoy a multi-day trip. Call First River Outfitter for expert assistance with planning an overnight float trip.

River Mileage

This reference chart shows the most popular float trips. Please note that the "Time Required" to complete a trip can vary due to water level, weather conditions, and the speed and skill with which you paddle.

1

Schedule your trip today. Call (555) 555-5555

River Trip	# of Miles	Time Required
Ponca to Kyle's Landing	10 miles	4 to 6 hours
Steel Creek to Kyle's	8 miles	4 to 5 hours
Ponca to Pruitt	25 miles	2 days (min)
Pruitt to Hasty	7 miles	4 to 5 hours
Pruitt to Carver	11 miles	6 to 7 hours
Pruitt to Woolum	26 miles	2 days (min.)

Boat Rental

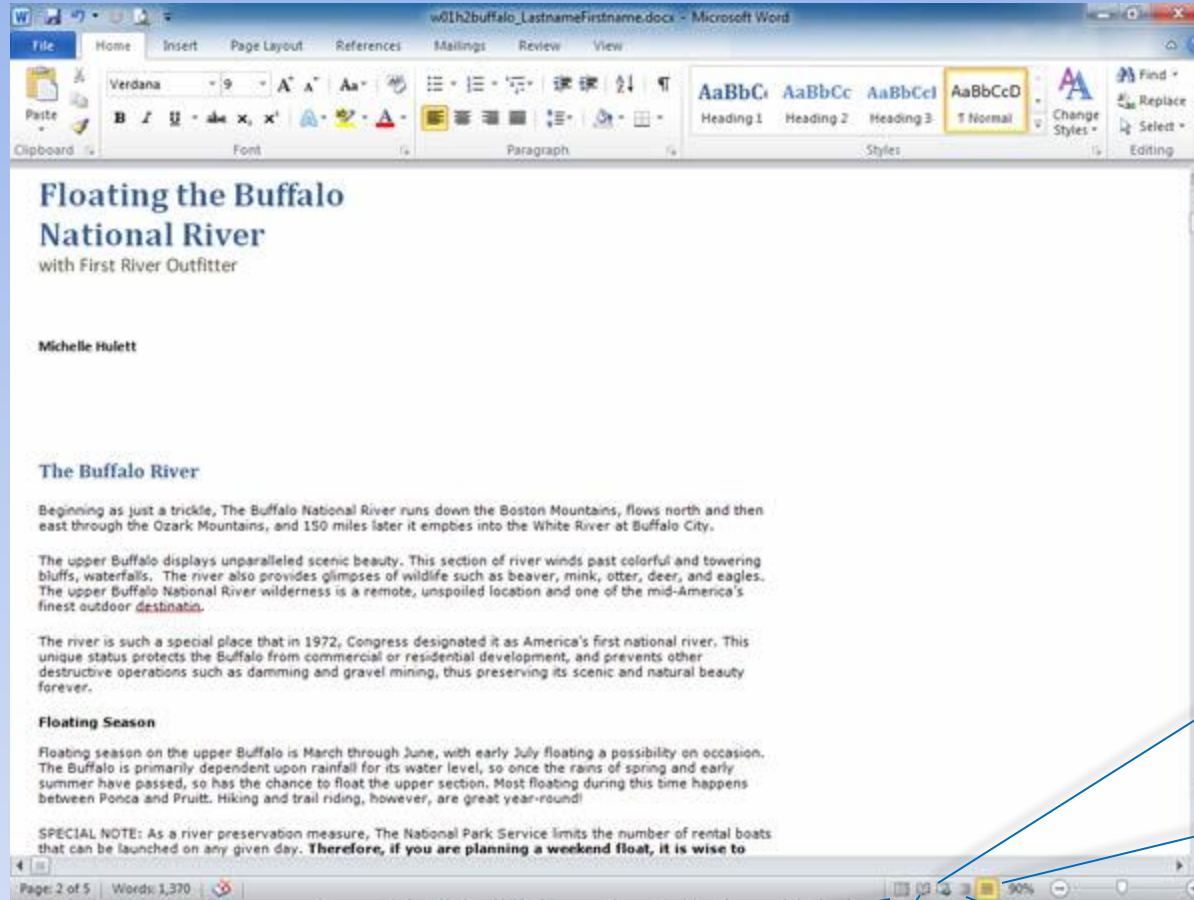

BOATS & EQUIPMENT
Canoes, rafts, and kayaks are available for rent. Paddles, life vests, and trash bags are included in your rental.

HOW MANY BOATS YOU'LL NEED
We recommend floating with two adults per canoe. This provides good balance and adequate space for gear. However, it is not uncommon for three small-frame adults or parents with one or two average-sized children to share a canoe.

Dear «FirstName»,

On behalf of the Community Disaster Relief Center and all recipients of their services, I want to say Thank You! Your donation of \$«Donation» on «Date» has been a wonderful gift to our organization and will provide many people with much needed support during times of great need or disaster.

We hope that you will tell your friends and associates about the important work of the Community Disaster Relief Center and will make us your charity of choice so that when you are ready to make another donation, your thoughts will turn to us again. Also, don't forget about us when you begin estate planning. Your tax receipt is attached. Thank you again for your donation.

Selecting Recipients

The image shows a screenshot of a Microsoft Excel spreadsheet with a data table. A blue box labeled "Fields" is positioned above the spreadsheet, with lines pointing to the column headers: "FirstName", "LastName", "Address", "City", "State", "Zip", and "Donation Date". A blue box labeled "Header row" is on the left, with a line pointing to the first row of the table. A blue box labeled "Record" is also on the left, with a line pointing to the second row of the table. The spreadsheet interface includes the ribbon (File, Home, Insert, Page Layout, Formulas, Data, Review, View, Add-Ins) and the formula bar showing "A1" and "FirstName".
