«Opportunities are often things you haven't noticed the first time around»

Catherine Deneuve

# Proverbs

- What is worth doing is worth doing well
- Many hands make light work
- No pains, no gains
- The work shows the workman
- Работа показывает работника
- Если уж делать что-то, то делать хорошо
- Без усилий нет достижений
- Когда рук много, работать легче

# Proverbs

# Application letter

When you apply for a job, you write **a letter of application** which goes together with CVs.

**Letters of application** represent who you are to a potential employer.

**The application letter** is your first communication with the person that can give you your dream job.

1. What is the goal of sending a letter of application?
2. What's the style of application letters?
3. What does the style of an application letter depend on?

# True or false:

1. A letter of application could be sent to any person in the company. **F**
2. You should send your CV with a letter of application, it'll help you to stand out from other candidates. **T**
3. The longer an application letter is the better. **F**
4. A letter of application should be less formal than your CV. **T**
5. Employers want to hire real people, not robots, that's why genuine and friendly application letters are usually appreciated. **T**

# Computer practice

# Match the gaps (1-7) in the letter with the phrases (a-g).

a) As you can see from my CV 3
