Symbol of the
World Wildlife
Fund - a
big panda.

The founders of Julian
Huxley

Max Nicholson

Peter Scott

Guy Montfort

During the stay of Chi-Chi the panda at London Zoo, saw her one of the founders of the World Wildlife Fund - a scientist and animal artist Sir Peter Scott. He made a stylized portrait of a panda, and decided that the image of the good-natured, an animal in need of protection will be a wonderful symbol of the new fund.
