

# **You are what you eat.**

Project 1  
Zykov Alexandr

**healthy and junk food.**

# Now I will submit the list of junk food.

- ▣ First place win - chips

# the second place at fast food.

**On the third place mayonnaise  
and ketchup settled down.**

# THE FOURTH PLACE AT ENERGY DRINKS

**And the fifth place at  
chocolate.**

# Now we will talk about healthy food

**On the first place fruit settles down.**

# second place berry

# the third place at garlic with onions

**on the fourth place milk**

**and the fifth place at fish**

**I consider if people avoid junk food. And is useful, then they will be more healthy, and strong.**
