

The background of the image is a solid, warm orange color. Overlaid on this background is a pattern of stylized, dark orange leaves and stems. The leaves are of various shapes, some resembling maple leaves, and are arranged in a scattered, overlapping manner. The stems are thin and dark, connecting the leaves. The overall effect is a textured, organic background.

- *I'd like to tell you about the Youth movement. Firstly Punks are opposed to the values, norms and materialism in the society. Besides they express this in loud and violent music, and moreover strange clothing and hair of unusual colours. It was organized in 1970 – 1980.*

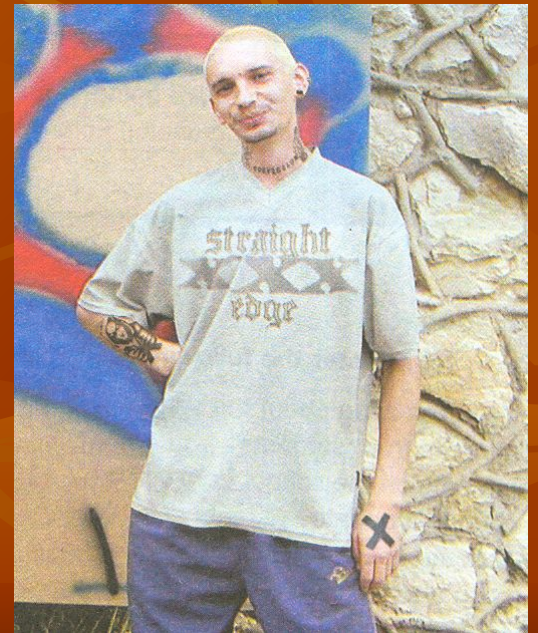

- *Goths have black or purple hair, and moreover black lipstick and fingernails. They see the world as a dark place and like it that way. It was organized in 1980 – 1990.*

- *Hippies don't conform to society's standards, showing this by dressing in unusual clothes, having long hair and living in groups together. It was organized in 1960 – 1970.*

- *I'd like to tell about **Straight edge**. Straight edge don't want to follow the usual routes of teenage rebellion. Originally being a "straight edge" meant that you didn't drink, smoke or take drugs.*

- *To sum up. I disagree with these groups. But sadly some people have another opinion, moreover they join to these groups. I think they make a mistake in the life. As for me I want to be helpful in the society.*
