Проблема утилизации бытовых ОТХОДОВ

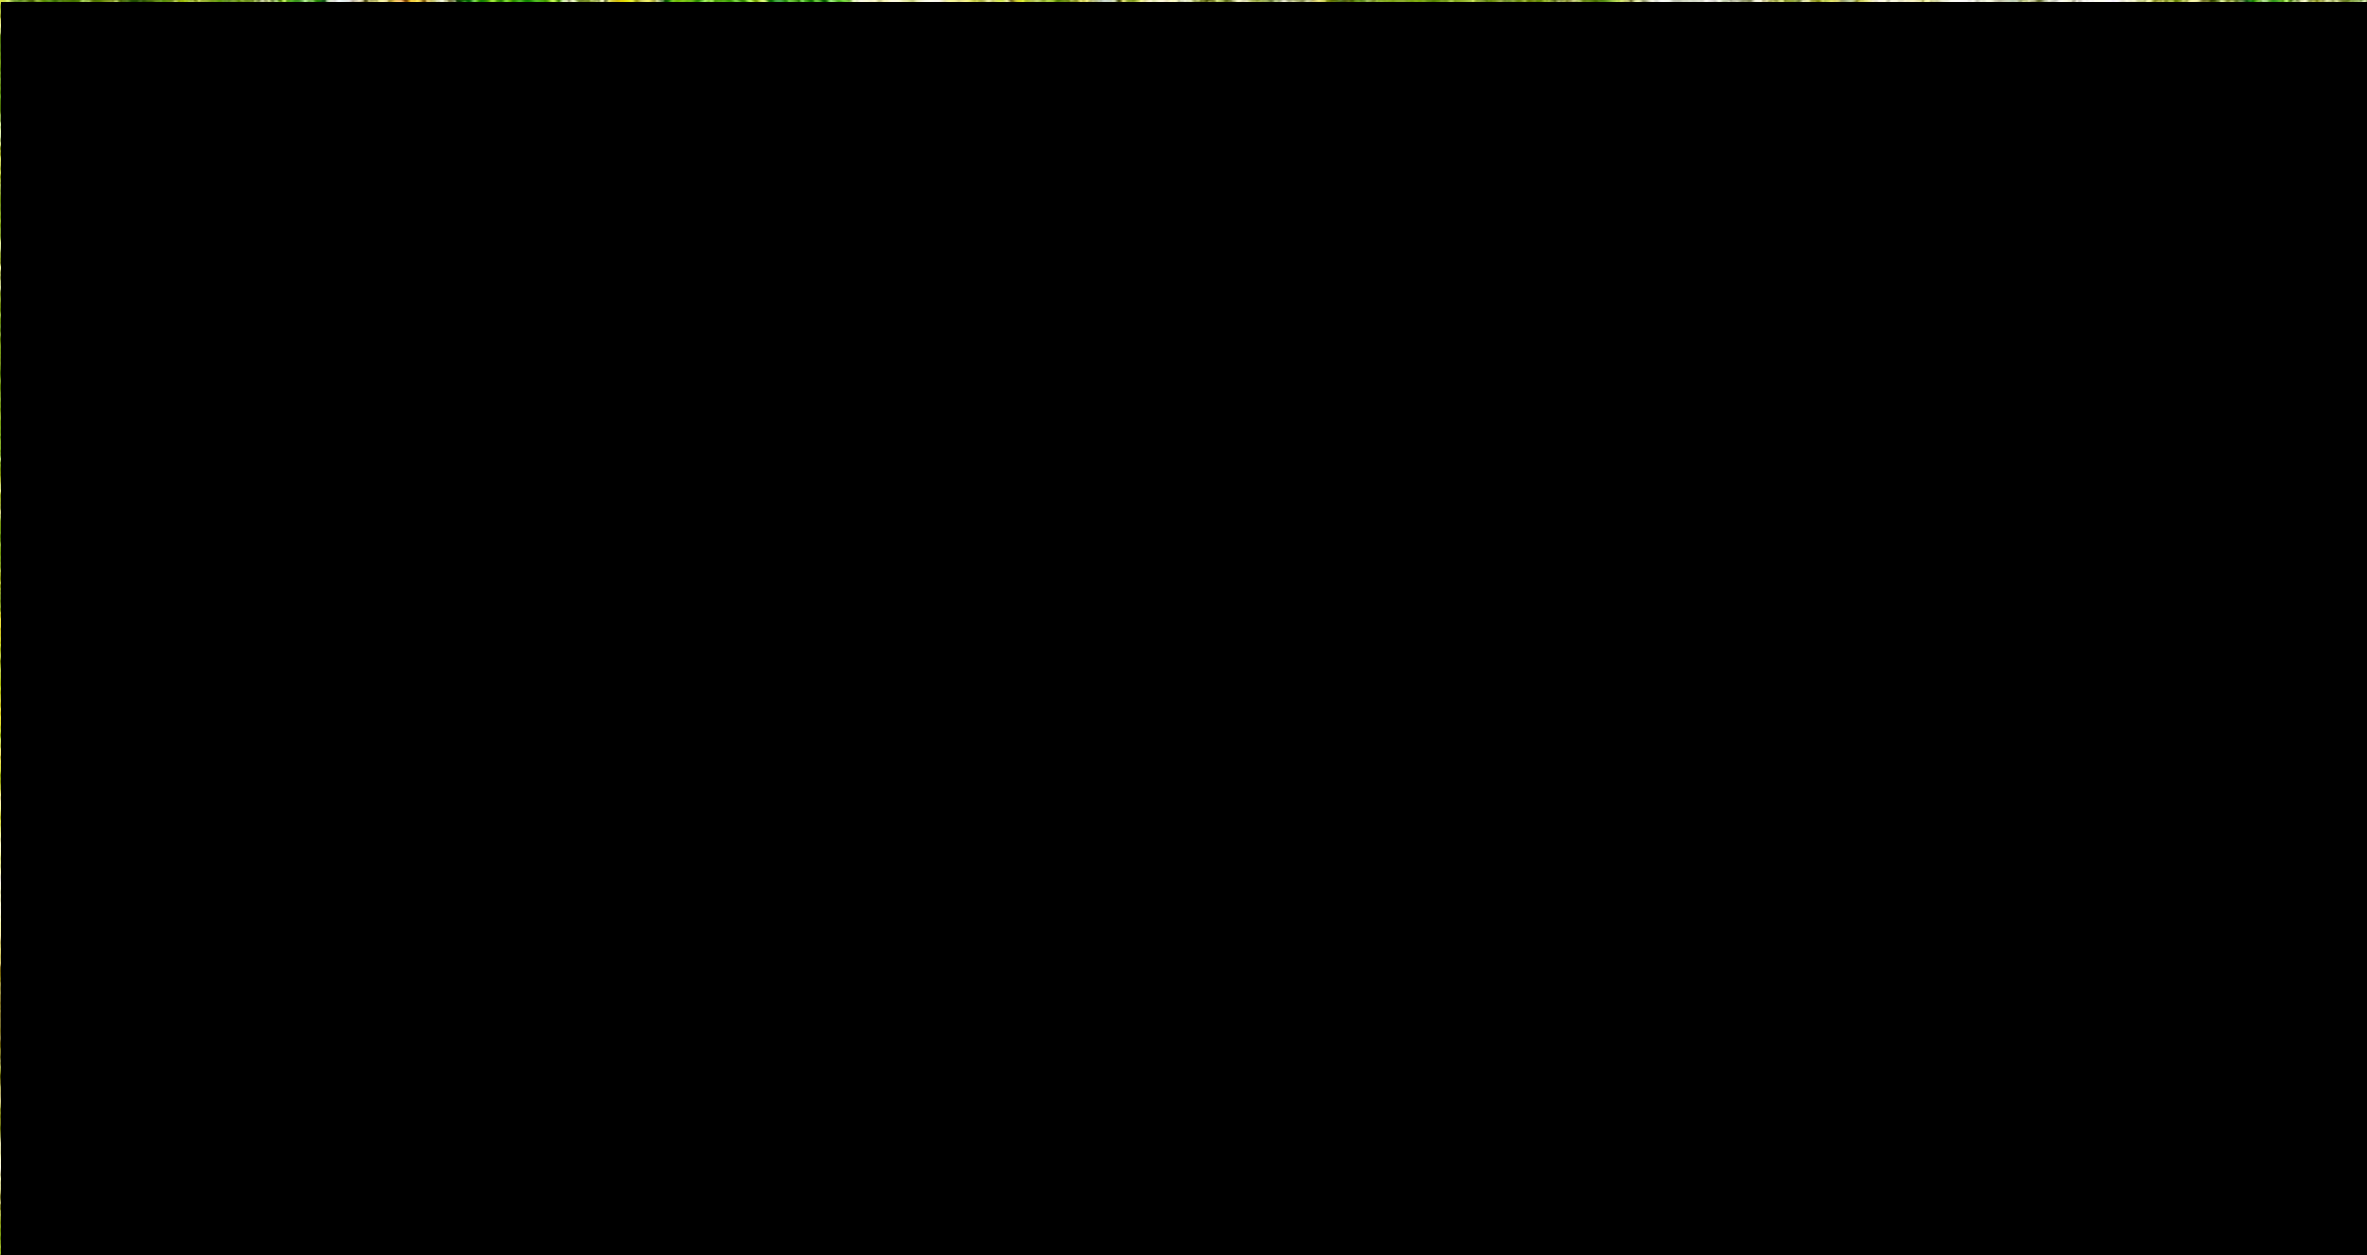

Мусор – глобальная экологическая проблема

A pair of hands is shown holding a glowing globe. Inside the globe, a lush green tree is the central focus, surrounded by various nature elements: sunflowers, daisies, and several colorful butterflies (red, blue, purple, and yellow). Two snails are also visible, one on the left and one on the right. The background is a bright blue sky with soft clouds, sparkling light effects, and faint outlines of continents on the globe. The overall theme is environmental care and nature.
